Transforming Teaching and Learning in Higher Education Seng Chee Tan, Shen-Hsing Annabel Chen, 2020-07-07

This book chronicles the journeys of educational researchers and academics who have engaged in research and development to improve teaching and learning at universities It highlights the research evidence approaches and in many cases the journey of transformation rather than prescribing certain principles of and approaches to effective instruction In other words it not only describes the destination but also various pathways leading toward it Further it focuses on mechanisms for improving the approaches discussed rather than simply determining whether one works better than the other As such novice and seasoned academics and teaching staff in higher education will benefit from this book not just from the teaching and learning approaches it highlights but also from the insights into the respective journeys The research and development methods and approaches discussed here will also appeal to researchers working in teaching and learning in higher education
