The Effects of Trauma and How to Deal with It Jim Banks,2018-07-20 Over the last 30 years of praying for people for physical and emotional healing I have prayed numerous prayers that in my estimation provided little in the way of relief But the last 6 000 folks or so that I have prayed for using the prayer contained in this book have experienced both profound and permanent results It works just as well when prayed over groups as it does over individuals and it even works from a CD when played over folks who don t even speak English An audio version of the prayer on Youtube com has been downloaded over 1 000 000 times Jim Banks was trained in electrical engineering but after working for a consulting engineering firm in Houston TX for three years he found that design engineering was no longer what he had in mind for his life He moved into technical sales and marketing for industrial control manufacturers and rose to Director of Sales and Marketing for a couple of firms In 1980 he met and married Pat who worked as an executive trainer for Southwestern Bell In spite of how they were employed they ministered part time nights and weekends to the broken and hurting until they went into ministry full time in 2002 following a move to Asheville NC where they founded House of Healing Ministries They now minister to the broken locally as well as travel extensively to train others to fill their shoes
