## **Politics In China An Introduction:**

Politics in China William A. Joseph, 2019-04-25 On October 1 2019 the People's Republic of China PRC will celebrate the 70th anniversary of its founding And what an eventful and tumultuous seven decades it has been During that time under the leadership of the Chinese Communist Party CCP China has been transformed from one of world's poorest countries into one of its fastest growing economies and from a weak state barely able to govern or protect its own territory to a rising power that is challenging the United States for global influence But in the late 1950s the PRC experienced the most deadly famine in human history caused largely by the actions and inactions of its leaders Not long after there was a collapse of government authority that pushed the country to the brink of and in some places actually into civil war and anarchy And in 1989 the CCP unleashed the army to brutally crush demonstrations by students and others calling for political reform China is now for the most part peaceful prospering and proud The CCP maintains a firm grip on power through a combination of harsh repression and popular support largely based on its recent record of promoting rapid economic growth Yet the party and country face serious challenges on many fronts including a slowing economy environmental desecration pervasive corruption extreme inequalities ethnic unrest and a rising tide of social protest Politics in China provides an accessible yet authoritative introduction to how the world's most populous nation and rapidly rising global power is governed today The third edition has been extensively revised thoroughly updated and includes a new chapter on the internet and politics in China The book's chapters provide overviews of major periods in China's modern political history from the mid nineteenth century to the present examinations of key topics in contemporary Chinese politics and analyses of developments in four important areas located on China's geographic periphery Tibet Xinjiang Hong Kong and Taiwan

Politics in China William A. Joseph, 2014-03-14 On October 1 2009 the People's Republic of China PRC celebrated the 60th anniversary of its founding And what an eventful and tumultuous six decades it had been During that time under the leadership of the Chinese Communist Party CCP China was transformed from one of the world's poorest countries into the world's fastest growing major economy and from a weak state barely able to govern or protect its own territory to a rising power that is challenging the United States for global influence Over those same years the PRC also experienced the most deadly famine in human history caused largely by the actions and inactions of its political leaders Not long after there was a collapse of government authority that pushed the country to the brink of and in some places actually into civil war and anarchy Today China is for the most part peaceful prospering and proud This is the China that was on display for the world to see during the Beijing Olympics in 2008 The CCP maintains a firm grip on power through a combination of popular support largely based on its recent record of promoting rapid economic growth and harsh repression of political opposition Yet the party and country face serious challenges on many fronts including a slowing economy environmental desecration pervasive corruption extreme inequalities and a rising tide of social protest Politics in China is an authoritative introduction to how the world's most

populous nation and rapidly rising global power is governed today Written by leading China scholars the book s chapters offers accessible overviews of major periods in China s modern political history from the mid nineteenth century to the present key topics in contemporary Chinese politics and developments in four important areas located on China s geographic periphery Tibet Xinjiang Hong Kong and Taiwan

**Politics in China** William A. Joseph, 2024 A comprehensive and authoritative introduction to China s political history contemporary political system and key policy areas such as the environment population management and public health Politics in China is an authoritative introduction to how the world s second most populous nation and rapidly rising global power is governed today Written by leading China scholars each chapter offers an accessible overview of a key topic in Chinese politics The opening section provides readers with a firm grounding in China s modern political history covering the decline and fall of the last imperial dynasty and the rise to power of the Chinese Communist Party CCP and the radicalism of the era of Mao Zedong 1949 76 the dramatic economic reforms carried out by Deng Xiaoping and his disciples 1978 to 2012 and the era of Xi Jinping 2012 present who has consolidated more personal power than any CCP leader since Mao The next section sets the framework of politics in the People s Republic of China PRC with chapters on the ideology of the CCP the structure and dynamics of the political system the role of law and legal reform and the policies behind the country s spectacular economic transformation The book then shifts to a discussion of a series of major political issues in China today reform and resistance in the countryside changes and challenges in the cities the arts and culture the environment and climate change public health population policy and internet politics The final chapters of the book covers politics in four important areas located on China s geographic periphery Tibet Xinjiang Hong Kong and Taiwan The fourth edition of Politics in China has been thoroughly updated and includes a new chapter on the rise and rule of Xi Jinping It is essential reading not only for students studying the PRC but also for any reader interested in learning how China has evolved in recent times how its political system works and about the most important challenges it faces in years ahead

Cultural Heritage Politics in China Tami Blumenfeld, Helaine Silverman, 2013-05-14 This volume explores China s cultural heritage ideology and policies from three interrelated perspectives the State and World Heritage tourism cultural heritage tourism at undesigned sites and the cultural politics of museums and collections Something of a cultural heritage designation craze is happening in China This is new within even the last five to ten years Officials at many levels now see heritage preservation as a means for commoditizing their regions They are devoting new resources and attention to national and international heritage designations Thus addressing cultural heritage politics in a nation dedicated to designation is an important project particularly in the context of a rapidly growing economy This volume is also important because it addresses a very wide range of cultural heritage providing an excellent sample of case studies historic vernacular urban environments ethnic tourism scenic tourism pilgrimage as tourism tourism and economic development museums border heritage underwater remains and the actual governance and management of the sites This volume is an outstanding

introduction to cultural heritage issues in China while contributing to Chinese studies for those with greater knowledge of the area

**Handbook of the Politics of China** David S.G. Goodman,2015-11-27 The Handbook of the Politics of China is a comprehensive resource introducing readers to the very latest in research on Chinese politics David Goodman provides an introduction to the key structures and issues providing the foundations on which later learning can be built Including a comprehensive bibliography it is an ideal reference work for undergraduate and postgraduate students and academics The Handbook contains four sections of new and original research dealing with leadership and institutions public policy political economy and social change and international relations Each of the 26 chapters has been written by a leading internationally established authority in the field and each reviews the literature on the topic and presents the latest findings of research Presenting the state of the art of the field this reader oriented Handbook is an essential primer for the study of China s politics

Politics and Government in China Guoli Liu,2011-07-22 This concise thought provoking analysis explores the political changes and economic development emblematic of a rapidly rising China Politics and Government in China is an introduction to Chinese government and politics The book provides analysis of China s political history its key leaders and leadership transitions and its political party state institutions and party policies Moving beyond a strict definition of politics the book also explores the nation s economic development social policy law and order and foreign relations Throughout these analyses the book s primary focus is on modern China a nation poised to become an economic superpower It thus explores themes such as China s transition from a traditional society to a modern society from a less developed to a rapidly growing economy from a revolutionary regime to a modernizing state and from the rule of man to the rule of law Although the transitions are incomplete and the future still uncertain this book will help readers understand China as it is and as it may become

The Politics of the Core Leader in China Xuezhi Guo,2019-05-09 This is the first full length scholarly study of the Chinese core leader and his role in the Chinese Communist Party s elite politics

Politics in China William A. Joseph,2010 Sixty years ago China was one of the poorest countries in the world populated mostly by rural peasants and still suffering from more than a century of internal turmoil and international humiliation Today China is a rapidly modernizing economic dynamo with growing global influence Politics in China is an authoritative introduction to how this transformation occurred and how China is governed today Written by an international team of highly regarded China scholars each chapter offers an accessible overview of a key topic in Chinese politics The opening section provides readers with a firm grounding in China s modern political history from the fall of the last imperial dynasty through era of communist rule under Mao Zedong Deng Xiaoping and their successors The next section covers the political system with chapters on Communist Party ideology the structure of the political system and the policies behind the country s spectacular economic performance The book then focuses on several major issues in China today politics in the countryside and the cities the arts the environment public health and population policy The final chapters cover politics in four important areas located on China s geographic

periphery Tibet Xinjiang Hong Kong and Taiwan Comprehensive and fully up to date in its coverage Politics in China is essential not only for students studying contemporary China but for any reader interested in learning how this rising power has evolved in recent times and the workings of its current political system *The Politics of Waste Management in Greater China* Natalie Wai Man Wong, 2021-04-21 The growth of municipal waste is a common challenge found in the urbanised cities of Greater China but the question of how to manage municipal waste is controversial Wong examines the politics of managing municipal waste in three cities of Greater China Guangzhou Taipei and Hong Kong She looks at the controversies that arise from the issue and the consequent politicisation of the various solutions that are adopted Focusing particularly on the dynamics of policy actors in the three cities she compares the different political situations in each with the others This provides a valuable lens through which to explore the larger issue of the political transformation of Environmental Management in the Greater China region A compelling insight into environmental policymaking in Greater China for scholars studying the dynamics of Chinese politics *The Braking Mechanism in Mao-era Politics* Jia Gao, 2026-01-22 This book offers a compelling re examination of Mao Zedong s political authority giving readers a clear understanding and full picture of Mao the politics of his era and the political life of the CCP The widespread view holds that Mao was an authoritarian leader enjoying what was called absolute leadership authority This book reveals that in fact from the late 1950s onwards the CCP leadership was deeply fractured during a period when China s internal political and economic dynamics and its external existential conditions were very complex By analysing four major interconnected challenges to Mao s governing decisions and leadership imposed by senior military leaders from the late 1950s to the mid 1970s the book introduces the concept of a braking mechanism within the CCP during Mao s era preventing the newly created PRC and its resource distribution rules and patterns from collapse Including in depth textual analysis of documentary sources while contributing to the debate about Mao s authority and political power this book will be a valuable resource for students and scholars of modern Chinese history and political science *The Politics of Policy Implementation in Post-Mao China* Jae Ho Chung, 1993 **An Introduction to Chinese Politics** Harold C. Hinton, 1978 **Chinese Politics and Society** Flemming Christiansen, Shirin Rai, 2014-02-04 An introduction to Chinese Politics which provides an accessible overview of the structures and dynamics of Chinese politics today Concentrating on the era since 1949 the text takes a look at politics in the widest sense analysing political institutions within the crucial broader context of Chinese history and the pressures of social economic and cultural changes *An Introduction to World Politics* Herbert Adams Gibbons, 1922 Jesse blames her brother Jeremy for their parents death in a house fire but when Jeremy gets involved with a gang Jesse knows she is the only one who can save him **Defining a changing China in global politics** Chun Lin, 2000 **The Economic Approach to Politics** Kristen R. Monroe, Kristen Renwick Monroe, 1991 **Introduction to China's Law and Politics** Huikang Huang, 1990 **Understanding Chinese Politics** Neil Collins, Andrew Cottey, 2012-10-30 The Chinese political system is the subject of

much media and popular comment in part because China supports an economy with an apparently inexorable dynamic and impressive record of achievement This book provides a comprehensive introduction to China s political system outlining the major features of the Chinese model and highlighting its claims and challenges It explores the central role of the Communist Party in the country s politics and the way in which the Party controls most elements of the political system The book also draws parallels with previous historical periods in China s history Finally it addresses the question of what kind of role the People s Republic of China will play in global politics as a whole the implications for the West and the re balancing of relations between China and its neighbors

**Politics and Government in China** Guoli Liu,2011-07-22 This concise thought provoking analysis explores the political changes and economic development emblematic of a rapidly rising China

Politics and Government in China is an introduction to Chinese government and politics The book provides analysis of China s political history its key leaders and leadership transitions and its political party state institutions and party policies Moving beyond a strict definition of politics the book also explores the nation s economic development social policy law and order and foreign relations Throughout these analyses the book s primary focus is on modern China a nation poised to become an economic superpower It thus explores themes such as China s transition from a traditional society to a modern society from a less developed to a rapidly growing economy from a revolutionary regime to a modernizing state and from the rule of man to the rule of law Although the transitions are incomplete and the future still uncertain this book will help readers understand China as it is and as it may become
