**Discipleship that Fits** Bobby Harrington, Alex Absalom, 2016-02-09 For far too long the church has tried to make disciples using a one size fits all approach Some churches advocate 1 on 1 discipling others try getting everyone into a small group while still others training through mission trips or service projects Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching But does one size really fit everyone Based on careful biblical study and years of experience making disciples in the local church Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context **Discipleship That Fits** shows you the five key ways discipleship occurs It looks at how Jesus made disciples and how disciples were formed in the early church Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ

**Public Relationships** The church gathering corporately for worship **Social Relationships** Networks of smaller relationships where we engage in mission and live out our faith in community **Personal Relationships** Small groups of six to sixteen people where we challenge and encourage one another on a regular basis **Transparent Relationships** Close relationships of three to four where we share intimate details of our lives for accountability **The Divine Relationship** Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it how the early church practiced it and how churches are discipling people today

**Next Up** Jonathan Pearson, 2014-05-19 There are 8 key attitude and action shifts that every great leader makes From entitlement to honor From passive to passionate From unreliable to consistent Are you willing to make these shifts and more and be ready when the next up call comes The Millennial generation is poised to do something We can either learn grow ask for help and lead honorably into the future or we can passively wait feeling entitled for the keys to eventually be given to us We can do better than that Let's take the initiative and rise to the challenge The future will be filled with leadership transitions at not only the highest levels in businesses churches and organizations all over the world but also at regular everyday places Who will be ready to lead existing movements groups and causes Or who will be ready to start the new ones Using practical biblical and contemporary examples and lessons this book will help existing and burgeoning leaders pinpoint the areas of their lives where they still need to make the shift and learn to lead more
