Originally published in 1983, the Companion has been comprehensively revised and updated by Daniel Hahn. Over 900 new entries bring the book right up to date. The Distant Mirror Joanne Brown, Nancy St. Clair, 2005-12-08 Young adult historical fiction brings the past alive through stories of adventure, suspense, and mystery. The genre is both complex and controversial, encompassing novels that range from romance and fantasy to stark historical realism. The book examines the various approaches to young adult historical fiction and explores the issues that it has engendered. Part One focuses on the broader issues spawned by the genre itself, including its various subgenres, the line between fiction and fact, to what degree must an author adhere to historical accuracy, time boundaries, the diary format, the protagonist as the outsider who is entitled to write what and literary concerns such as the relationship between accuracy and readability. Part Two explores issues of contemporary interest such as race, class, gender, the immigrant experience, religion, war, and nationalism. Thought-provoking discussions of how these elements are treated in historical novels, with emphasis on how current cultural values have shaped the fiction, are presented. Finally, the question of whether novels in this genre are bound by anything other than their respective period setting is posed, and it is contended that there are features common to YA historical novels that not only set the genre apart from other YA fiction but also contribute something unique to the larger genre. The genesis for much classroom debate, suggestions for class discussions, and writing assignments, as well as sample written responses of these debates from the authors' classes, are included. Teachers, librarians, instructors of young adult literature courses, and teen readers will find this an insightful analysis of YA historical fiction.

The Year's Best Fantasy and Horror, 2002 *The Host Rides Out* Celia Rees, 2015-06-25 A psychic storm rages and ghosthunters stalk the city where young Davey Williams lives, destroying good and evil alike. Davey risks his own life to save his friends, but will the ghosts be there when he needs them? And now the Lady has returned, brimming with malice and hungry for vengeance. Davey must escape her deadly clutches by Midsummer or be in her thrall forever.

Thematic Guide to Young Adult Literature Alice Trupe, 2006-05-30 Thirty-two chapters, each on a different theme such as accepting differences and poverty's challenges, discuss four to six popular young adult novels in depth. Each chapter ends with a list of additional recommended novels.
