Jihadism in the Russian-Speaking World Danis Garaev,2022-08-29 This book contends that the discourses of jihadism in Russia s North Caucasus and their offshoots in other parts of the Russian Federation are not just reflections of jihadi ideologies that came from abroad rather that post Soviet jihadism is a phenomenon best understood when placed in the broader cultural environment in which it emerged an environment which comprises the North Caucasus the whole of Russia and beyond It examines how post Soviet jihadism is also part of global processes in this case global jihadism explores how post Soviet jihadism bears the imprint of the preceding Soviet context especially in terms of symbols discursive tools interpretational frameworks and dissemination strategies and discusses how ironically Russian speaking jihadism is an expansionist idea for uniting all Russian regions on a supra ethnic principle but an idea that was not born in Moscow or St Petersburg Overall the book demonstrates that Russian speaking jihadism is a completely new ideology which nevertheless has its origins in the intellectual and cultural heritage of the Soviet era and in the broader trends of post Soviet society and culture

9 and 11 Kim H. Veltman,2015-02-23 This is an unlikely story of true events The Day that changed the World in the United States bombing of the Twin Towers the Day of Fate in Germany and the Day of Destiny in Israel are all connected with the 11th day of the 9th month These 9 11 dates entail much more than three events in three countries In the Hebrew tradition they include all the calamities that have befallen the Jews from the time of the Destruction of the First Temple and Second Temple the Expulsion of the Jews from England France Spain through to the Holocaust in World War II

These events are in turn part of a larger history which linked the same date with cosmic events such as a day of Cosmic Battle and the Birth of Venus and gave special significance to the numbers 9 and 11 Part one explores this tradition and surveys a range of sources from a former German officer involved in the plot against Hitler to various conspiracy theories These events are also related to swastikas and hexagrams Since World War II there has been a trend to associate swastikas with an evil German Aryan tradition and hexagrams e g six pointed Star of David with a good Jewish Semitic tradition Historically a Jewish connection with the Star of David is late Mediaeval rather than Biblical Swastikas and hexagrams are found in both the Aryan and the Semitic tradition Hence the new trend distorts a complex history More disturbingly in the guise of tolerance and political correctness one version of stories is highlighted others are being suppressed and truth is endangered
