my learning experience along PBS In my thirty plus years of serving the communities of health care homeless shelters and social services my greatest joy comes from sharing my homemade song and stories with little ones in the homeless shelters Now I continue to share my stories through tutoring in the Oasis Program for the public schools For me the true meaning of living well is not in material things but in the sounds of laughter coming from a child My desire is to give back to the programs my mom supported My motive is to encourage and move children to read to their highest potential help them believe that they can achieve their dreams and that the impossible is possible through consistency perseverance focus staying in school and never giving up
