Finding Peace: A Guided Meditation for Anxiety Relief

Welcome to this guided meditation for anxiety relief, titled "Finding Peace: A Guided Meditation for Anxiety Relief."

First, find a comfortable place to sit or lie down and take a few deep breaths. Close your eyes and focus on your breath. As you inhale, imagine a white, healing light entering your body through your nose and filling your chest. As you exhale, imagine any tension or anxiety leaving your body in the form of black smoke.

Imagine yourself in a peaceful, safe place. It could be a beach, a forest, or anywhere else that brings you comfort. Take in the sights, sounds, and smells of this place. Allow yourself to fully immerse in this peaceful environment.

Focus on your body and bring your awareness to any areas of tension. Starting from your feet and working your way up to the top of your head, consciously release any tension you find. Imagine any knots or tightness dissolving as you exhale.

Now, imagine a white, glowing ball of light in front of you. This ball of light represents your inner strength and peace. Take the ball of light and place it within your chest. Imagine it spreading throughout your body, filling you with warmth and tranquility.

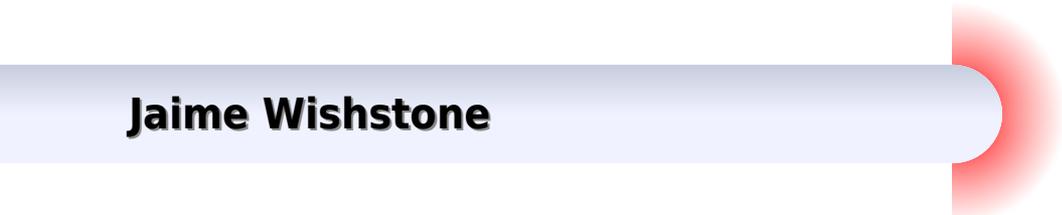

As you continue to breathe deeply, repeat the following phrases to yourself:

"I am safe. I am calm. I am in control."

"I release all anxiety and tension."
