Congress, 2007 Regulating Private Pension Schemes International Network of Pensions Regulators and Supervisors. Conference, Organisation for Economic Co-operation and Development. Private Pensions and Insurance Unit, 2002 The issue of providing appropriate financial security for retirement is of growing importance for both OECD member and non member countries and the approaches adopted to implement the necessary

reforms vary depending on each country's economic, social, and demographic environment. Increasingly, however, reform programmes involve the establishment or extension of private pension arrangements. This book contains a selection of papers presented at a meeting in April 2001 of the International Network of Pension Regulators and Supervisors (INPRS) and the OECD to discuss the key policy implications arising from the growth of private pension schemes.
