Sheu, 2013-11-11 The investigative assault upon the enigmatic asphaltene has recently resulted in significant advances in many varied disciplines Taken individually each discipline exposes certain facets of asphaltene but each alone can never reveal asphaltene from all vantages Even seemingly narrowly focused issues such as the molecular structures of asphaltene or the colloidal structures of asphaltene require a confluence of many lines of investigation to yield an understanding which differs from truth by diminishing uncertainty An holistic treatment of the asphaltene is a powerful approach to evolve further their understanding For example examination of asphaltene at the highest resolution yields molecular structure A slight increase in scale probes asphaltene colloidal structure Weaving together asphaltene studies performed at different length scales results in a fabric which envelops an encompassing vision of asphaltene At the same time the interfaces of these hierarchical studies provide additional constraints on imagination more than investigations at individual length scales alone These considerations shaped the timing format and the content of our book The editors are very appreciative of the diligence and hard work manifest in each of the contributed chapters herein We thank the contributing authors for making this project a success Oliver C Mullins Eric Y Sheu vii CONTENTS I Asphaltene Types and Sources
