Pmp Exam Questions & Answers Preparation Guide Liam Dillon, 2017-04-25. Whenever you had to study a heavy book, did you wish for a simpler guide just to get the gist of the subject? The objective of this guide is to give you a variety of sample PMP exams that can help as you digest the heavier guides. This book is based on the thinking of having a crash course guide that you could go through and get a handle on the exam. As an experienced instructor, I always thought about and looked for such resources whenever I had to study a new subject or teaching a new subject. It was a similar feeling I had when I took up the PMBOK Guide book to study. What I really wanted to know was what the Project Management Professional (PMP) exam is and how to answer the questions from the back cover.
