Bmw 600 Limousine Factory Workshop Manual Bmw,2012-06-01 136 pages 518 black white illustrations size 8 25 x 11 inches This is a faithful reproduction of the English language section extracted from the extremely scarce BMW 600 Factory Workshop Manual which was originally published in 4 languages This 136 page English language edition was republished in 2012 by VelocePress It includes complete technical data service and maintenance information and detailed instructions for the repair and overhaul of the major mechanical and electrical components for the BMW 600 Limousine series of automobiles

As would be expected from a factory publication there are exhaustive tables of technical data tolerances and fits The manual is broken down into the following sections Engine Transmission Differential Rear Suspension Front Suspension Steering Brakes Chassis Body Electrical Equipment Special Equipment Saxomat There are 518 illustrations and each procedure is explained in a step by step method using an appropriate illustration There is adequate detailed text and diagrams to assist in major refurbishing such as an engine rebuild or even a complete mechanical renovation making it an invaluable resource for collectors and restorers of these iconic automobiles The translation from German to English is at times a little quirky but the profuse illustrations make up for any difficulty in understanding what needs to be done Originals of this manual are becoming increasingly more difficult to find on the secondary market and on the rare occasions they surface they command astronomical prices Consequently we are pleased to be able to offer this reasonably priced alternative as a service to all BMW 600 enthusiasts worldwide
