Holmes,2016-12-06 Several plays have been composed into novels of short stories This began the saga of Beneath the Willow  
The first book in the series focused on several of the residents of the established settlements After many years of hard work  
the town began to flourish When they initially settled all residents were in one central location They spread out as the town  
began to grow Development of farms and pastureland advanced rapidly The town of Willow Bend is filled with imaginary  
characters but implies a very realistic concept It is the writer s vision that the town was established in the 1870s Horace Lee  
Crowley and seven hundred migrants braved the elements traveling until they found what they later established as the  
Willows It was divided into several settlements Willow Bend Willow Estates Willow Grove and Willow Creek The people tilled  
the soil and made their own clothing For a short length of time everyone cooked on a huge open pit They prayed inspired  
encouraged and made unified efforts together to lighten the load of chores of one another They suffered the hardship of  
floods crop infestation poor farming equipment and loss of profits Through it all unity blended them together as a community  
After many years of hard work the town flourished Disagreements were natural in personality differences but were short  
lived They migrated from a sharecrop farm thirty miles away They tread large bodies of water that sometimes rose above  
waistlines Small children were placed upon men s shoulders or on one of the old mules Women carried the bundles of food  
and what little clothing they owned It was a rough going but majority of the people endured it They had small clippings of  
flowers twigs from fruit trees and roots from vegetables The substance of their existence was on their backs mules and  
wooden trestles that the men fashioned Scraps of wood and small trees made up the trestles This was the beginning of the  
Willows Once settled many differences occurred natural in personalities but they were able to accomplish agreement with  
the help of the county judge The drama was getting to that point Thanks for reading See what you would do in these cases
