her plate dealing with her father's disappearance, her mother's erratic behavior, and the possibility of her boyfriend relocating. The last thing she needs is Torin St. James, a mysterious new neighbor with a wicked smile and uncanny way of reading her. Raine is drawn to Torin's dark sexiness against her better judgment until he saves her life with weird marks, and she realizes he is different. But by healing her, Torin changes something inside Raine. Now she can't stop thinking about him. Half the time she's not sure whether to fall into his arms or run. Scared, she sets out to find out what Torin is. But the closer she gets to the truth, the more she uncovers something sinister about him. What Torin is goes back to an ancient mythology, and Raine is somehow part of it. Not only is she and her friends in danger, she must choose a side, but the wrong choice will cost Raine her life.

Immortals book 2: Nothing can stop Raine Cooper when she wants something. Raine finally knows that her gorgeous neighbor Torin St. James is a legend straight out of Norse mythology, and that her feelings for him are strong. Torin is crazy about Raine, too, breaking the one rule he lives by: Never fall for a mortal. The problem is he no longer remembers her; his memories were erased by the Norse destiny deities to punish her for defying them. So Raine comes up with a plan: She will make Torin forget his one rule a second time and fall in love with her all over again. But she quickly learns that well-laid plans do not work when dealing with deities and supernatural beings. Desperate, Raine makes choices that could not only tear her and Torin further apart but lead to the destruction of everything and everyone she loves. Gods might have erased Torin's memories, but they didn't take into account his feelings for Raine and hers for him.

Grimnirs book 3: Straight out of the psych ward, Cora just wants her life to be normal. She doesn't want to see souls or the reapers collecting them. The guy she's loved from a distance for years moves away without saying goodbye. So yes, she's nursing a serious heartbreak. It's no wonder love is the last thing on her mind when Echo storms into her life. Too bad Echo is the poster boy for everything she hates in a guy: hot, beautiful, and cocky. He is also a soul reaper. A Grimnir. The very beings she wants out of her life. Maybe normal is overrated because Cora wants it all.
