Mother of God and Mother of the Church Joseph Thomas, 2025-04-30 The Mother of Christ is a key subject of the Christian faith This book aims to offer an introduction to the Church's rich theological reflection on the Blessed Virgin Mary The text draws from a broad range of the Church's Tradition including Sacred Scripture the Fathers of the Church and Ecumenical Councils to illuminate the principal truths regarding the Mother of God Topics include Mary's divine motherhood

the Immaculate Conception the Assumption Mary's cooperation in Christ's redemptive work as well as St Joseph Made for Freedom Jutta Burggraf,2012-01-01 In a fast paced world overloaded with technology and information it can be difficult to remember who we are as God's children We are called not only to do to build and to accomplish but to be and to love in freedom Embracing that deeper call requires courage mired as we are in our own weaknesses as well as the increasing manipulation of others Yet from the beginning God offers us a life full of love and happiness with Him At the core of this gift is our freedom and we must struggle to maintain it defend it and grow continually in it In Made for Freedom author Jutta Burggraf offers a penetrating meditation on freedom and its importance in the life of a Christian She explains that our ultimate happiness is a result of a humble yes to God's gift of our very selves accepting both the light and the darkness of who we are From there we can go a step further to accept God's love and invite Him and only Him to fill the gaps with love and healing With this humble but honest perspective we can choose to love ourselves as God loves us and in turn to love others The Freedom of Missing Out Michael Rossmann,2022-07-01 EXPERIENCE MORE BY DOING LESS IF YOU LIVE A LIFE OF CONSTANT JOY BALANCE AND EASY MODERATION THEN THIS BOOK ISN'T FOR YOU But if you are like the rest of us every day presents a blinding rush of options and opportunities risks and benefits And no matter what you are going to miss out on something that might be better than what you choose Mix this anxiety with an unhealthy dose of fear in all its various forms and you have a recipe for a confused neurotic and unhappy life But there is hope for this present day malady Shattering the popular conception that we should say yes to everything lest we miss out on something better Michael Rossmann outlines a practical plan for developing emotional courage increasing focus and learning to say no to what depletes us In turn we end up with the space and ability to say yes to what energizes us and gives our lives more meaning vitality and purpose Blending personal stories wisdom and humor with cutting edge research Rossmann's counterintuitive approach to the challenges of daily living provides readers with a roadmap to experience the freedom that comes from learning to discern what's best for you setting boundaries and making a commitment to what matters most in your life

The Catholic Advantage Bill Donohue,William A. Donohue,2015 The controversial president of The Catholic League shows how the Church may be the best guide for achieving long term health and happiness Religious Americans are by far the healthiest and happiest of any segment of the population this is true across religions according to recent Gallup polls Bill Donohue President of the Catholic League goes a step further to show that Catholicism will not only make you healthy and happy but it will ultimately lead you to heaven too In his latest book The Catholic Advantage Donohue turns his attention to the ways Catholicism is experienced by believers He explores a simplified and practical way of looking at the faith demonstrating how Catholic living enhances our well being With exciting new research and time honored wisdom Donohue shows how the application of beliefs bonds and boundaries lead to a bountiful life while the atheism narcissism and hedonism of secular intellectuals and celebrity culture paves the path to misery Donohue writes Catholics who have faithfully followed

the precepts of their religion and have lived a life of good health and happiness are nicely positioned to experience even greater happiness in heaven Anyone who bats three for three especially given these stakes must be doing something right
