**Data Leadership for K-12 Schools in a Time of Accountability** Mense, Evan G., Crain-Dorough, Mindy, 2017-12-15  
The monitoring of data within educational institutions is essential to ensure the success of its students and faculty. By continually analyzing data, educational leaders can increase quality and productivity in their institutions. *Data Leadership for K-12 Schools in a Time of Accountability* explores techniques and processes of educational data analysis and its application in developing solutions and systems for instructional concerns and next-generation learning. Providing extensive research covering areas such as data-driven culture, student accountability, and data dissemination, this unique reference is essential for principals, administrators, practitioners, academicians, students, and educational consultants looking to maximize their institution's performance.

**The Basics of Process Improvement** Tristan Boutros, 2017-07-27  
Unlike other books that promote a specific process and performance improvement discipline, this book shows organizations how to achieve success by fixing basic operational issues and problems using a broad and wide-sweeping process-based toolkit. In addition, it helps individuals who have worked in stale or siloed thinking enterprises make the transition.

**Improving School Climate** George G. Bear, 2020-03-04  
*Improving School Climate* provides evidence-based and practical strategies for cultivating a healthy school environment while also avoiding behavior problems. The book is packed with strategies centered on key components and conditions for a positive school climate, such as positive teacher-student relationships, positive student-student relationships, including absence of bullying, supportive home-school relationships, student engagement, effective classroom management, and school discipline, school safety, and student self-discipline. This text is an important inclusion for educators and school psychologists who prefer a structured, evidence-based and practical approach for improving school climate while also promoting students' academic achievements, preventing behavior problems, and fostering students' social and emotional competencies.
