## **Introduction To Political Science:**

political science is for everybody amy l. atchison,2021-02-01 political science is for everybody is the first intersectionality mainstreamed textbook written for introductory political science courses While political science and politics are for everybody political institutions are neither neutral nor unbiased When we write political science textbooks that obscure the differences in how groups experience and interact with political institutions we do students a disservice This book exposes students to these differences while also bringing marginalized voices to the fore allowing more students to see their lived experiences reflected in the pages of their textbook Bringing together a diverse group of contributors political science is for everybody teaches all the basics of political science while showing that representation matters both in politics and in the classroom

Political Science Michael G. Roskin,Robert L. Cord,James A. Medeiros,Walter S. Jones,2011-02-25 Political Science offers a thorough introduction to the basic concepts and theories of political science With a critical look at the major theories it exposes students to many ways of thinking and challenges them to think critically while emphasizing both US and comparative politics

*Introduction to Political Science* Craig Parsons,2021 Politics pervades every aspect of our lives as human beings As Aristotle said we are political animals

Political Science Michael G. Roskin,Robert L. Cord,James A. Medeiros,Walter S. Jones,2016-01-14 For courses in Introduction to Political Science Explore the Fundamentals of Political Science Political Science An Introduction shows readers how the fundamental tenets of political science have helped important leaders make critical decisions for centuries The authors present a balance of theoretical abstractions and applied reasoning to help readers understand how to make calm rational choices when it comes to political manipulation The Fourteenth Edition asks readers to explore the controversial topic of exported democracy and whether certain countries are ready and equipped to apply our form of government By examining issues such as the Iraq war and the difficulty of adapting our own democracy in the U S the text prompts readers to form their own opinions about democracy and political science Geared toward those learning about the topic for the first time the authors encourage readers to consider different paradigms viewpoints and theories when developing their own political views Also available with MyPoliSciLab MyPoliSciLab for the Introduction to Political Science course extends learning online to engage readers and improve results Media resources with assignments bring concepts to life and offer readers opportunities to practice applying what they ve learned Please note this version of MyPoliSciLab does not include an eText Note You are purchasing a standalone product MyLab tm Mastering tm does not come packaged with this content Students if interested in purchasing this title with MyLab Mastering ask your instructor for the correct package ISBN and Course ID Instructors contact your Pearson representative for more information If you would like to purchase both the physical text and MyLab Mastering search for 0134406257 9780134406251 Political Science An Introduction Plus MyPoliSciLab for Introduction to Political Science Access Card Package 14 e Package consists of 0134402855 9780134402857 Political Science An Introduction 14e 0134320409
