- When Salva returns to Sudan after living in America, he feels that everything is very familiar but also very different. "How could memories feel so close and so far away at the same time?" he asks. Explain what Salva means and why you think he feels this way.

Personal:

- Some people have mottos, or phrases that help them remember what is important to them. Some examples of mottos include "Always do your best," and "Treat others the way you would like to be treated." What do you think Salva's motto would be? What would be your own motto?
