Bakshi,Frederick T. L. Leong,A. G. Watts,2014-02-08 This book is focused on work occupation and career development themes that are fundamental to a wide range of human activities and relevant across all cultures Yet theorizing and model building about this most ubiquitous of human activities from international perspectives have not been vigorous An examination of the literature pertaining to career development counseling and guidance that has developed over the last fifty years reveals theorizing and model building have been largely dominated by Western epistemologies some of the largest workforces in the world are in the developing world Career guidance is rapidly emerging as a strongly felt need in these contexts If more relevant models are to be developed frameworks from other cultures and economies must be recognized as providing constructs that would offer a deeper understanding of career development This does not mean that existing ideas are to be discarded Instead an integrative approach that blends universal principles with particular needs could offer a framework for theorizing research and practice that has wider relevance The central objective of this handbook is to draw the wisdom and experiences of different cultures together to consider both universal and specific principles for career guidance and counseling that are socially and economically relevant to contemporary challenges and issues This book

is focused on extending existing concepts to broader contexts as well as introducing new concepts relevant to the discipline of career guidance and counseling

D. Mason,2023-06-05 Plan for your dream career and take control of your future without going into debt Are you a High School or Secondary School student worried about upcoming college and career planning decisions Are you at that point in your life where you have to make a choice about your future Have you been told repeatedly that going to college is the only way to ensure career success Have all those

student loan horror stories made you wary of going into debt for an education Graduating from high school should be an exciting time You re finally done with this chapter in your life and are ready to take on new and more challenging opportunities as you move toward adulthood and independence But it s also a time when you feel the pressure to make a decision pick a major choose a school figure out your career path With so many options to choose from this can be a paralyzing process Choosing one option may mean you re closing the door to better ones What if you make the wrong choice Even more with the cost of college tuition averaging tens of thousands of dollars it may seem like you re doomed to start your career already burdened by student debt Student debt is not only a financial burden you could be carrying around for the next 10 to 20 years It could also impede major life decisions and negatively affect your mental health and overall quality of life But the good news is a college degree and student debt aren t your only options You can still get access to valuable training and practical experience that will set you up for a flourishing career without having to enter your working life in

Major College Debt

It s all in this information packed handbook filled with practical advice and information from an expert who chose an alternative educational path and found great success and security Here s just a fraction of what you ll discover from this book Everything you need to know about the education path that is just as good as traditional college or even better but no one seems to talk about it Questions you should be asking yourself and prospective employers to figure out the career that s best for you Why you should be thinking of retirement as early as now and what that has to do with your career plans The art of job shadowing gain an insight into the inner workings of a job that you won t get through research alone A deeper look into the costs of education so you have an idea of what expenses to expect beyond tuition fees The traditional vs an alternative route an in depth comparison of college and vocational school including the training and career opportunities each provides In demand and lucrative jobs that don t require a college degree you could be earning great yearly income sooner and you won t have to rack up student debt Expert information tailored for young adult students in the US UK and Canada And so much more Figuring out what you want to do after high school is one of the biggest and scariest decisions you ll ever have to make but with the right information you can take control of your future and make these important decisions with greater confidence Forge your own path in life and don t let anything or anyone stop you from creating the future you want for yourself The first step to your success story starts today Start thinking about your future today Scroll up and click [Add to Cart](#) right now
