The Restoration of Israel Michael E. Fuller,2012-02-14 This study identifies and explores texts of restoration in a wide selection of Early Jewish Literature in order to assess the variety of ways in which Jews envisioned Israel's future restoration Particular attention is given to the expression of restoration in what is identified in the present study as the exilic model of restoration In this model Israel's restoration is characterized by the features of a a future re-gathering b the fate of the nations and c the establishment of a new Temple The present work focuses primarily on the first two features Through this framework Jews in the Greco Roman period could draw on Israel's history and legacy but re appropriate exile and return in new and creative ways Finally the writing of Luke Acts is investigated for its ideas of restoration and its indebtedness to Early Jewish traditions

Ditch Beth Steel,2010-04-29 Stark and imperative but shot through with a sense of warm humanity Beth Steel's debut play Ditch is a clear-eyed look at how we might behave when the conveniences of our civilisation are taken away and a frightening vision of a future that could all too easily be ours

HighTide Plays: 1 Beth Steel,Harry Melling,Dan LeFranc,Anders Lustgarten,2016-11-16 HighTide Theatre Festival was founded in 2006 and has since become one of the most prolific homes of new writing It has been described by the Telegraph as one of the little gems of the artistic calendar in Britain and by the Daily Mail as famous for championing emerging playwrights and contemporary theatre 2016 marks ten years of HighTide

during which time numerous emerging playwrights and new plays have shot to prominence This anniversary volume brings together four of the key plays that have come out of HighTide Theatre Festival s programme during this time Ditch by Beth Steel is a clear eyed look at how we might behave when the conveniences of our civilisation are taken away and a frightening vision of a future that could all too easily be ours peddling by Harry Melling is a poetic monologue about a young homeless man which confronts whether it s a good thing to turn a blind eye and let people get on with their lives or whether that s exactly how people fall through the cracks The Big Meal by American writer Dan LeFranc is a deeply comic and touching drama that looks at love marriage raising children and the general onslaught of life Lampedusa by Anders Lustgarten follows the day to day life of those whose job it is to enforce our harsh new rules on immigration an Italian coastguard and a payday lender from Leeds All now established in their own right these four plays demonstrate HighTide s extraordinary role in identifying and nurturing writers tackling some of the biggest issues of today The volume was published to coincide with HighTide s 10th annual festival in September 2016 and features an introduction by HighTide Artistic Director Steven Atkinson

Prophecy, Miracles, Angels, and Heavenly Light? James Bruce,2007-09-01 For the first time we see through the theological mind of Adomnan the mission of Columba to bring the Kingdom of God to Pict and Scot The question is was Adomnan simply following fashion miracles proved sanctity and thereby authorized the cult and its politically minded promoters or did he also have a more sophisticated understanding of the nature and function of these authority providing marvels that he systematizes uniquely prophecy miracles of power visions This book surveys approaches to the marvelous tracing the intriguing recent growth in scholarly open mindedness and shows Plummer s 1910 hypothesis of

the origin of Irish saga to be inadequate Adomnan identifies the phenomena firmly as signs of the inbreaking eschatological Kingdom of God Directed by the Spirit of prophecy in miracles of transforming power with angels and glimpses of the glory of God's presence the conditions of the new earth are made tantalizingly present in sixth century Scotland The Spirit bringing the Kingdom is the mission of the church How this is present in his Life recasts the missionary identity of Columba from a new perspective and poses questions for the task of the church today **Odyssey of a Taishan American** James L Eng,2018-12-28 The use of coaching books systematically deceived the American immigration system during the years following the Chinese Exclusion Act of 1882 Follow Jim's life as an eight year old immigrant from Taishan whose diligent memorization of false identities dates and places erased all memories of his boyhood in China After facing language difficulties and isolation during assimilation and education he eventually achieves academic success But then he must overcome the institutional racism of the 1950s and reaches the plateau of middle class America during the Cold War He finds himself oddly suited to the silence and secrecy shrouding his work with the military and NASA But despite having lived the American Dream he sees the world as a Chinese American in a racist society Mr Eng completed this memoir at the age of 95 He attributes his health long life and success to his beautiful wife Lan *New Order* Max Turner,2015-02-03 How can a guy who can't find two matching socks be qualified to lead anyone An ancient prophecy declared that Zack Thomson orphaned son of a great vampire hunter would come back from the dead and either lead humanity into the light or destroy it Now the End of Days for vampires is here the old order is eroding and from the ashes of that ruin a new world will arise Will Zack become the great leader the new order so desperately needs And which of his friends allies and enemies will survive to learn the answer God Without a Face?
