GERALD OF WALES  
THE JOURNEY THROUGH  
WALES/THE DESCRIPTION  
OF WALES

# Gerald Of Wales

**Jacob Currie, T. M. Charles-  
Edwards, Paul Russell**

## Gerald Of Wales:

**Gerald of Wales** A. Joseph McMullen, Georgia Henley, 2018-02-01 Gerald of Wales c 1146 c 1223 widely recognized for his innovative ethnographic studies of Ireland and Wales was in fact the author of some twenty three works which touch upon many aspects of twelfth century life Despite their valuable insights these works have been vastly understudied This collection of essays reassesses Gerald s importance as a medieval Latin writer and rhetorician by focusing on his lesser known works and providing a fuller context for his more popular writings This broader view of his corpus brings to light new evidence for his rhetorical strategies political positioning and usage of source material and attests to the breadth and depth of his collected works

**Gerald of Wales, 1146-1223** Robert Bartlett, 1982 **The Autobiography of Gerald of Wales** Giraldus (Cambrensis), 2005 The autobiography of Gerald of Wales translated from the Latin offers a compelling picture of medieval life Gerald of Wales the son of a Norman Baron and the grandson of a Welsh Princess is one of the most gifted and entertaining of medieval writers His autobiography translated from the Latin presents the story of an Archdeacon who despite his passionate efforts never became a Bishop it is the self revelation of a man as able and courageous as he was vain and eccentric and as devout and serious as he was flamboyant and humorous a vivid picture of twelfth century kings and prelates of politics and travel full of strange adventures at home and abroad told with frankness and power and without a counterpart in the literature of his day Moreover the volume presents a vivid picture of medieval life in general The late H E BUTLER was Professor of Latin at University College London

**Gerald of Wales** Robert Bartlett, 2006 This study of Gerald discusses the political path he had to tread and portrays him as an example of the medieval world **The History and Topography of Ireland** Gerald of Wales, 2006-06-29 Gerald of Wales was among the most dynamic and fascinating churchmen of the twelfth century A member of one of the leading Norman families involved in the invasion of Ireland he first visited there in 1183 and later returned in the entourage of Henry II The resulting Topographia Hiberniae is an extraordinary account of his travels Here he describes landscapes fish birds and animals recounts the history of Ireland s rulers and tells fantastical stories of magic wells and deadly whirlpools strange creatures and evil spirits Written from the point of view of an invader and reformer this work has been rightly criticized for its portrait of a primitive land yet it is also one of the most important sources for what is known of Ireland during the Middle Ages **Giraldus Cambrensis.- Gerald of Wales. The jewel of the Church** , 1979 *The Itinerary Through Wales, and the Description of Wales* Giraldus (Cambrensis), 1908

**Gerald of Wales** Brynley F. Roberts, 1982 The story of an ambitious Norman Welsh priest who wrote often angrily and always vividly about his troubles and about the people and places he knew His books provide the most detailed evidence and the shrewdest insights we have into twelfth century Wales its social customs its agriculture its leading figures and its religious life *The Description Of Wales* Giraldus Cambrensis, 2024-01-02 Giraldus Cambrensis usually known as Gerald of Wales wrote the medieval travelogue The Description of Wales inside the late twelfth century The book which serves as

each a geographical and ethnographic description paints a shiny photo of Wales and its population in the course of Gerald's lifetime. Geraldus, a priest and student, mixes extraordinary observations with a sense of humor and occasional bias. The paintings are prepared into sections; the first gives an in-depth description of Wales' terrain, natural sources, and monuments, and the second one specializes in Welsh customs, behavior, and anecdotes. Geraldus, who is Welsh and Norman, regularly interjects private ideas and reviews, giving the story a subjective and interesting tone. The Description of Wales is greater than an actual description; it is a literary work that represents the author's complicated relationship with Wales. It is an important ancient supply that sheds light on medieval Welsh tradition and society, giving readers a view into the contemplating a medieval pupil navigating the cultural terrain of his time.

**Gerald of Wales** Robert M. Morris, 1987. The story of an ambitious Norman Welsh priest who wrote often angrily and always vividly about his troubles and about the people and places he knew. His books provide the most detailed evidence and the shrewdest insights we have into twelfth-century Wales: its social customs, its agriculture, its leading figures, and its religious life.

**Delphi Collected Works of Gerald of Wales (Illustrated)** Gerald of Wales, 2025-09-15. The historian Gerald of Wales, Giraldus Cambrensis, was one of the most learned writers of his time, whose detailed accounts of medieval England, Wales, and Ireland remain valuable historical sources. He entered the service of King Henry II of England and conducted two journeys that led to the compilation of his important books on Ireland and Wales. His prolific writings provide a vivid window into the life and people of twelfth and early thirteenth-century Britain. Delphi's Medieval Library provides eReaders with rare and precious works of the Middle Ages with noted English translations. This eBook presents Gerald's collected works with illustrations, informative introductions, and the usual Delphi bonus material. Version 1. Beautifully illustrated with images relating to Gerald's life and works. Features the collected works of Gerald in English translation. Concise introductions to the texts. Rare translations never digitised before, including Gerald's autobiography. Excellent formatting of the texts. Easily locate the sections you want to read with individual contents tables. Includes Gerald's rare Concerning the Instruction of Princes, first time in digital print. Features three bonus biographies, including Williams' seminal study of Gerald of Wales. Ordering of texts into chronological order. CONTENTS: The Translations: Topography of Ireland 1187 tr Thomas Forester; Conquest of Ireland 1189 tr Thomas Forester; The Itinerary of Archbishop Baldwin through Wales 1191 tr Richard Colt Hoare; The Description of Wales 1194 tr Richard Colt Hoare; Concerning the Instruction of Princes c. 1198 tr Joseph Stevenson; The Autobiography of Giraldus Cambrensis c. 1203 tr H. E. Butler; The Biographies: Giraldus de Barri 1900 by Henry Richards; Luard Introduction to Gerald of Wales 1908 by W. Llewelyn Williams; Giraldus Cambrensis 1913 by James MacCaffrey.

**A Mirror of Medieval Wales** Charles Kightly, David Martin Robinson, 1988. Exactly 800 years ago, Gerald Cambrensis set off on a tour of Wales. Naturalist, theologian, diplomat, knight, and gossip, Gerald's own personality is almost as fascinating as his description of the wild land through which he passed. Quicksands, highwaymen, poor roads, and swollen rivers hindered his progress, but the travellers

were also met by great hospitality This well illustrated pamphlet reissued for the 800th anniversary contains articles by a host of famous Welsh historians describing Gerald and the world in which he lived *Gerald the Welshman* Henry Owen,1904 *Giraldus Cambrensis* Michael Richter,1972 **De Gestis Giraldi** Jacob Currie,T. M. Charles-Edwards,Paul Russell,2024 De gestis Giraldi is a narrative of the deeds of Gerald of Wales c 1146 1223 written in the third person but actually by Gerald himself and framed as the biography of a bishop although Gerald never became a bishop Gerald was born in south west Wales of mixed Norman and Welsh descent and educated at Gloucester and in Paris He worked for Henry II and Richard I by whom he was valued as an intermediary between the king and Gerald s relations who included the leading Welsh king Rhys ap Gruffudd and many of the first English settlers in Ireland When elected bishop of St Davids Gerald was sent by his fellow canons to Rome to secure his own consecration and metropolitan status for St Davids ultimately both cases failed defeated by the combined power and resources of the English state and church Near the beginning of this final part the single MS breaks off but the chapter headings show that much of the substance is preserved in another work by Gerald His career spanned Wales Ireland and England Paris and Rome and De gestis Giraldi offers a vivid and personal view of them all This volume has been prepared from a critical study of the extant manuscript and features an accompanying English translation The edition supports the translation and text with an authoritative introduction extensive historical notes and critical study of the work *Gerald and His World* Robert M. Morris,1987 Gerald s own testimony is used extensively in this book to introduce various themes from medieval life especially in relation to Wales The book looks at twelfth century Wales its land and society the Norman invasion of Ireland the Third Crusade the troubled reign of Henry II and the Welsh Church Gerald himself was a vitally important figure in the story of the Welsh Church at this time **Gerald of Wales** John Miles,1967 **The Journey Through Wales and the Description of Wales** Gerald of Wales,2004-05-27 Scholar churchman diplomat and theologian Gerald of Wales was one of the most fascinating figures of the Middle Ages and The Journey Through Wales describes his eventful tour of the country as a missionary in 1188 In a style reminiscent of a diary Gerald records the day to day events of the mission alongside lively accounts of local miracles folklore and religious relics such as Saint Patrick s Horn and eloquent descriptions of natural scenery that includes the rugged promontory of St David s and the vast snow covered panoramas of Snowdonia The landscape is evoked in further detail in The Description which chronicles the everyday lives of the Welsh people with skill and affection Witty and gently humorous throughout these works provide a unique view into the medieval world [Gerald of Wales](#) ,1984 **The Cambridge Medieval History: Victory of the papacy** Henry Melvill Gwatkin,1929
