A Third University Is Possible la paperson,2017-06-01 A Third University is Possible unravels the intimate relationship between the more than 200 US land grant institutions American settler colonialism and contemporary university expansion Author la paperson cracks open uncanny connections between Indian boarding schools Black education and missionary schools in Kenya and between the Department of Homeland Security and the University of California Central to la paperson s discussion is the scyborg a decolonizing agent of technological subversion Drawing parallels to Third Cinema and Black filmmaking assemblages A Third University is Possible ultimately presents new ways of using language to develop a framework for hotwiring university machines to the practical work of decolonization Forerunners Ideas First is a thought in process series of breakthrough digital publications Written between fresh ideas and finished books Forerunners draws on scholarly work initiated in notable blogs social media conference plenaries journal articles and the synergy of academic exchange This is gray literature publishing where intense thinking change and speculation take place in scholarship

Grappling With the Chronology of the Genesis Flood Steven W. Boyd,Andrew Snelling,2014 Understand this highly debated flash point for scientific debate academic criticism and common confusion with this unique presentation Delve into the technical aspects of the chronology historicity and significance of understanding this landmark event including what we can learn from the Hebrew words used to describe it Examine the numerous geological geophysical and paleontological indications pointing to the reality and global scope of the Flood Learn how and why the authors exhaustive research began putting forth objectives criticisms they would address and identifying obstacles to be resolved The Flood as described in the Book of Genesis not only shaped the global landscape it is an event that literally forms our understanding of early biblical history Now an experienced team of scientists and theologians has written a definitive account of the Genesis Flood with detailed research into the original biblical text and evidences unlocked by modern science and study Often recounted and discounted as just a myth or children s story what we find with deeper study is instead a cataclysmic event one that truly wiped out life on our planet with the exception of those preserved through God s plan The devastation the Genesis Flood wreaked upon a rebellious world remains an important part of the biblical narrative we should understand for what it was a divine act of judgment on a sin immersed world
