**Create Your Own Lookbook** Cynthia Rehbein,2019-11-30 Are you tired of having a wardrobe full of clothes but nothing to wear Do you feel like the fashion advice out there doesn't pertain to your life or your lifestyle Are you looking for a minimalist approach to your style and your wardrobe without losing your sense of self If you answered yes to any of these questions this book is for you Create your own Lookbook was inspired by my own personal style journey and what I learned along the way Most of my life I was frustrated that I could not find a workable wardrobe that was perfect for me and my lifestyle even though I had the resources and the closet space to do so I like many found myself with a closet stuffed with clothes and yet I felt as though I had nothing to wear I read absorbed and devoured as much of the style advice as I could only to become increasingly discontented Eventually I was able to develop the confidence to trust myself and what I have learned along the way I wrote Create Your Own Lookbook to encourage you to do the same I was motivated by what fashion designers do season after season They create a lookbook of curated outfits that showcase their brand identity We all have our own unique and individual style identity but do not trust in our ability to empower ourselves to develop our own lookbook I hope to show you how to do this for yourself I did not want to start from scratch and toss out all that I owned but needed to figure out where to start and how to move forward year after year in creating and curating my own style It turns out that it isn't that complicated and it's just a click away Enjoy [GINGER](#) 2022-03-01
