Styling Shanghai Christopher Breward, Juliette MacDonald, 2020-01-23 *Styling Shanghai* is the first book dedicated to exploring the city's fashion cultures, examining its growing status as one of the world's foremost fashion cities. From its origins as an international treaty port in the 19th century, Shanghai has emerged as a global leader in the production, mediation, and consumption of fashion. This book reveals how the material and imaginative context of this thriving urban centre has produced vivid interpretations of fashion as object, image, and idea. Bringing together contributions by a range of leading international fashion historians and theorists, and drawing on extensive original research, *Styling Shanghai* offers an interdisciplinary analysis of the mega-city's shifting position as a fashion capital. Rooted in collaboration between leading UK, Australian, and Shanghai-based institutions, it considers the impact of local and global textile manufacturing, the representation and marketing of Shanghai Style, bodies, and gender in the Paris of the East, and the challenges of globalization, commercialization, and digital communication in contemporary Shanghai.

The Bebop Scene in London's Soho, 1945-1950 Ray Kinsella, 2022-11-23 This is the first book to tell the story of the bebop subculture in London's Soho, a subculture that emerged in 1945 and reached its pinnacle in 1950. In an exploration via the intersections of race, class, and gender, it shows how bebop identities were constructed and articulated. Combining a wide range of archival research and theory, the book evocatively demonstrates how the scene evolved in Soho's clubs, the fashion that formed around the music, drug usage amongst a contingent of the group, and the moral panic which led to the police raids on the clubs between 1947 and 1950. Thereafter, it maps the changes in popular culture in Soho during the 1950s and argues that the bebop story is an important precedent to the institutional harassment of black-related spaces and culture that continued in the twentieth and twenty-first centuries. This book therefore rewrites the first chapter of the classic subcultural canon and resets the subcultural clock, requiring us to rethink the periodization and social make-up of British post-war youth subcultures.

Music, Its Form, Function, and Value Swami Prajnanananda, 1979 *Form, Function, Finland*, 2001 **Maryland Historical Magazine**, 1960 Includes the proceedings of the society *Elementary Functions and Applications* Arthur Sullivan Gale, Charles William Watkeys, 1920 **Fashion and Sport** Ligaya Salazar, 2008-07 Explores how the influence of fashion and sport extends from high performance textiles developed for competition to high end fashion, and finally through the filter of adapted advertising and magazine imagery to the consumer who adopts and adapts the styles to make their own.
