The Tenth Man Graham Greene:

The Tenth Man Graham Greene, 2022-04-05 What a plot They don't make movies like this anymore or novels either except by Graham Greene USA TODAY From the author of the classics Brighton Rock and The Quiet American a morally complex tale about a man at the mercy of deadly forces while being held in a German prison camp during World War II featuring a new preface by Michael Korda and an introduction by the author When Jean Louis Chauvel a French lawyer incarcerated in a German prison camp is informed by his captors that three prisoners must die he devises a plan for survival Offering everything he owns to a fellow prisoner if he will take Chauvel's place he manages to escape the firing squad but soon discovers that he will continue to pay for this act for the rest of his life An unforgettable and suspenseful novel that deserves a place at the top of the list of world's best literature inspired by the war Houston Chronicle The Tenth Man will haunt you long after you turn the final page *The tenth man* Graham Greene, 1981 **Graham Greene Omnibus** Graham GREENE, 1985 **The Tenth Man** Stefani Hurko, 19?? *New York Magazine*, 1988-12-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Ontology of Death* Aaron Aquilina, 2023-05-18 Through examination of the death penalty in literature Aaron Aquilina contests Heidegger's concept of being towards death and proposes a new understanding of the political and philosophical subject Dickens Nabokov Hugo Sophocles and many others explore capital punishment in their works from Antigone to Invitation to a Beheading Using these varied case studies Aquilina demonstrates how they all highlight two aspects of the experience First they uncover a particular state of being or more precisely non being that comes with a death sentence and second they reveal how this state exists beyond death row as sovereignty and alterity are by no means confined to a prison cell In contrast to Heidegger's being towards death which individualizes the subject only I can die my own death supposedly this book argues that when condemned to death the self and death collide putting under erasure the category of subjectivity itself Be it death row or not when the supposed futurity of death is brought into the here and now we encounter what Aquilina calls relational death Living on with death severs the subject's relation to itself the other and political sociality as a whole rendering the human less a named and recognizable being than an anonymous living corpse a human thing In a sustained engagement with Blanchot Levinas Hegel Agamben and Derrida The Ontology of Death articulates a new theory of the subject beyond political subjectivity defined by sovereignty and beyond the Heideggerian notion of ontological selfhood **Essays in Graham Greene**, 1990 *New York Magazine*, 1988-12-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award

winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

The Tenth Man Mahdi Ahmadian, 2025-04-15 About the Book Jean Louis Chavel gives up everything he owns to save his life in an act of desperation But this choice comes with a heavy price which he must pay for in a most unexpected way What Readers Think Riveting and suspenseful A dramatic tale told with theatricality and punch This is a period of history the complex details of which needs retelling and telling again for mature audiences of all ages for all time Ahmadian spins an imaginative historical magical realism mystery of false and adopted identity akin to those of Pirandello and Camus Audiences will sit riveted to the play's twists and turns I recommend it highly Dr Rick Plummer Theater Professor Emeritus and SAG AFTRA actor Graham Greene aficionados will appreciate this lovingly crafted stage reimagining For four scenes and a curtain call Greene's spirit hovers in the wings A wise and worthy drama as relevant today as when it was first published Germaine Shames author of the award winning novels *Between Two Deserts* and *You Fascinating You* Kilroys List Playwright and a Dramatists Guild Foundation National Fellow It is not beyond 21st century readers to identify with a fictional character struggling to survive but it is often nearly impossible to select exactly the right phrases in the translated language that reverberate with the exactly right nuances *The Tenth Man* is challenging and risky but these are challenging and risky times so I commend Mahdi Ahmadian's commitment and courage in introducing *The Tenth Man* to new readers Carolyn Balducci translator author and playwright *Lysistrata Alcuin Giovanni the Fearless* among others

Guide to British Prose Fiction Explication Lynn Beene, 1997

Postmodern Fiction and the Break-Up of Britain Hywel Dix, 2011-11-03 This study explores how British identity has been explored and renegotiated by contemporary writers It starts by examining the new emphasis on space and place that has emerged in recent cultural analysis and shows how this spatial emphasis informs different literary texts Having first analysed a series of novels that draw an implicit parallel between the end of the British Empire and the break up of the unitary British state the study explores how contemporary writing in Northern Ireland Scotland and Wales contributes to a sense of nationhood in those places and so

contributes to the break up of Britain symbolically Dix argues that the break up of Britain is not limited to political devolution in Northern Ireland Scotland and Wales It is also an imaginary process that can be found occurring on a number of other conceptual coordinates Feminism class regional identities and ethnic communities are all terrains on which different writers carry out a fictional questioning of received notions of Britishness and so contribute in different ways to the break up of Britain
