Birthing From Within :

Birthing from Within Pam England, Rob Horowitz, 2007 Giving birth is the pivotal moment of a woman's life but it is often treated as a medical procedure and not as a rite of passage Birthing from Within offers parents engaging and memorable ways for pregnant women and their partners to activate personal social and spiritual resources that will guide them through labour and afterwards Many birth classes teach from the outside from the perspective of the professional Yet knowledge of anatomy and the stages of labour can often seem irrelevant in the intensity of contraction The pregnant woman needs to know about labour and birth from her own perspective she needs to be prepared for birthing from within Pam England offers a method that allows a woman to fully understand her own strengths and resources The self discoveries made during pregnancy makes birth life enhancing and empowers the future of the family It is a multi sensory and holistic approach that aims to make parents feel positively informed about what they are about to experience confident about the birth of their child Pain is an inevitable part of childbirth but Birthing from Within provides resources for building pain coping confidence in parents It gives detailed instructions on dealing with normal labour pain and when the humane use of drugs may be called for Cover *Transformed by Birth* Britta Bushnell, PhD, 2020-01-28 Britta you are a master at what you do P NK Grammy winning singer songwriter As expecting parents you're bombarded with more information and opinions than ever about the right approach to pregnancy and childbirth How do you navigate this ocean of information not only to find the best practical solutions for you personally but also to embrace this incredible opportunity for emotional and spiritual transformation that comes from bringing a child into this world With *Transformed by Birth* Dr Britta Bushnell has created the transformative intelligent and empowering pregnancy and childbirth guide you've been waiting for This book embraces birth as a metamorphic experience a rite of passage in which you are initiated by opening to the unbidden embodying your own wisdom and gaining freedom from limiting beliefs Our culture has inundated us with limiting ideals that prevent us from fully engaging in the journey of pregnancy and childbirth including a need for control and certainty vilification of pain and reverence for technology and intellectual knowledge among others Dr Bushnell helps you clear away unwanted beliefs and behaviors so you can open to the meaning and power of this uniquely life changing experience Here she offers daily practices rituals exercises and more to help you cultivate resilience power and connection during this transformative time Childbirth is more than just having a baby *Transformed by Birth* invites you to discover childbirth as a transformational experience that alters your knowing of who you are and lasts long after pregnancy and birth are over *Hangover Wisdom, 100 Thoughts on Birthing from Within* Anna Young, 2013-04 In this book we have hand picked the most sophisticated unanticipated absorbing if not at times crackpot original and musing book reviews of Birthing from Within An Extra Ordinary Guide to Childbirth Preparation Don't say we didn't warn you these reviews are known to shock with their unconventionality or intimacy Some may be startled by their biting sincerity others may be spellbound by their unbridled flights of fantasy Don't

Pilgrimage as Moral and Aesthetic Formation in Augustine's Thought Sarah Stewart-Kroeker, 2017-07-26

Augustine's dominant image for the human life is peregrinatio which signifies at once a journey to the homeland a pilgrimage and the condition of exile from the homeland For Augustine all human beings are in the earthly life exiles from their true homeland heaven Some but not all become pilgrims seeking a way back to the heavenly homeland a return mediated by the incarnate Christ Becoming a pilgrim begins with attraction to beauty The return journey therefore involves formation both moral and aesthetic in loving rightly This image has occasioned a lot of angst in ethical thought in the last century Augustine's vision of Christian life as a pilgrimage his critics allege casts a pall of groaning and longing over this life in favor of happiness in the next Augustine's eschatological orientation robs the world of beauty and ethics of urgency In *Pilgrimage as Moral and Aesthetic Formation in Augustine's Thought* Sarah Stewart Kroeker responds to Augustine's critics by elaborating the Christological continuity between the earthly journey and the eschatological home Through this cohesive account of pilgrimage as a journey toward the right ordering of the desire for beauty and love for God and neighbour Stewart Kroeker reveals the integrity of Augustine's vision of moral and aesthetic vision From the human desire for beauty to the embodied practice of Christian sacraments Stewart Kroeker develops an account of the relationship between beauty and morality as the linchpin of an Augustinian moral theology
