Why Digital Transformations Fail Tony Saldanha, 2019-07-23 Former Procter Gamble Vice President for IT and Shared Services Tony Saldanha gives you the keys to a successful digital transformation a proven five stage model and a disciplined process for executing it Digital transformation is more important than ever now that we're in the Fourth Industrial Revolution where the lines between the physical digital and biological worlds are becoming ever more blurred But fully 70 percent of digital transformations fail Why Tony Saldanha a globally awarded

industry thought leader who led operations around the world and major digital changes at Procter Gamble discovered it's not due to innovation or technological problems. Rather, the devil is in the details: a lack of clear goals and a disciplined process for achieving them. In this book, Saldanha lays out a five-stage process for moving from digitally automating processes here and there to making digital technology the very backbone of your company. For each of these five stages, Saldanha describes two associated disciplines vital to the success of that stage and a checklist of questions to keep you on track. You want to disrupt before you are disrupted by the next Netflix, not the next Blockbuster. Using dozens of case studies and his own considerable experience, Saldanha shows how digital transformation can be made routinely successful and instead of representing an existential threat, it will become the opportunity of a lifetime.

Massive Transformative Purpose: The guide to provide sense to your projects and your life ANGEL MARIA;PALAO HERRERA (FRANCISCO.),2021-01-15 Have you ever asked yourself why you have come into the world? How many times have you wondered why you are doing something or for what reason? Do you feel as if you are not dedicating your life to what you really should be doing? Would you like to have a life full of purpose? The answer to these questions is an easy one for those who know their main purpose in life. Purpose can provide us with the focus we need in our lives, just as the North Star guides us along a path of unlimited possibilities, alternatives, and varying directions which we face each day. Purpose is an endless source of energy which can give you extraordinary motivation, making you feel as if everything you do has meaning. **Massive Transformative Purpose** is a book that motivates and inspires people to find their vital purpose. The book also offers a practical method so that anyone can find their purpose following 9 defined steps using a tool called MTP Canvas to design and describe each person's vital purpose. Lastly, the book offers practical advice to initiate your purpose and finally give meaning to your life and leave a footprint in the world, becoming the leader of your story. Are you ready to dive into this inner journey that will change the world?

Exponential Organizations: Why New Organizations Are Ten Times Better, Faster, and Cheaper Than Yours (and What to Do about It) Salim Ismail, Michael Shawn Malone, Yuri Van Geest, Peter H.
