The Meditations of Marcus Aurelius Marcus Aurelius,2017-04-29 About Marcus Aurelius Meditations Meditations is a series of personal writings by Marcus Aurelius Roman Emperor from 161 to 180 AD recording his private notes to himself and ideas on Stoic philosophy Marcus Aurelius wrote the 12 books of the Meditations in Koine Greek as a source for his own guidance and self improvement It is possible that large portions of the work were written at Sirmium where he spent much time planning military campaigns from 170 to 180 It is unlikely that Marcus Aurelius ever intended his Meditations to be published and the work has no official

title so *Meditations* is one of several titles commonly assigned to the collection. These writings take the form of quotations varying in length from one sentence to long paragraphs. About this translation of Marcus Aurelius *Meditations*: This is the classic and official translation of the *Meditations* as produced by George Long and originally printed in *The Harvard Classics*. What you get when you buy this edition of *Meditations*: This edition of *Meditations* is an 80 page long 9x6 trade paperback edition in cream paper and a black glossy cover. Famous quotes from this edition of *Meditations*: Do not act as if thou wert going to live ten thousand years. Death hangs over thee. While thou livest while it is in thy power be good. Why do you hunger for length of days? The point of life is to follow reason and the divine spirit and to accept whatever nature sends you. To live in this way is not to fear death but to hold it in contempt. Death is only a thing of terror for those unable to live in the present. Pass on your way then with a smiling face under the smile of him who bids you go. Do not then consider life a thing of any value. For look at the immensity of time behind thee and to the time which is before thee another boundless space. In this infinity then what is the difference between him who lives three days and him who lives three generations? TA cucumber is bitter. Throw it away. There are briars in the road. Turn aside from them. This is enough. Do not add. And why were such things made in the world? If thou art pained by any external thing it is not this that disturbs thee but thy own judgment about it. And it is in thy power to wipe out this judgment now. What a reader says about Marcus Aurelius *Meditations*: We find several recurring themes in *The Meditations*: develop self discipline to gain control over judgments and desires; overcoming a fear of death; value an ability to retreat into a rich interior mental life; one's inner citadel; recognize the world as a manifestation of the divine; live according to reason; avoid luxury and opulence. But generalizations will not approach the richness and wisdom nuggets a reader will find in Marcus's actual words. Glenn Russel *The Meditations of Marcus Aurelius*. Aurelius Marcus, George Long, 1993. The Roman emperor Marcus Aurelius Antoninus (d. 180) embodied in his person that deeply cherished ideal figure of antiquity: the philosopher king. His *Meditations* are not only one of the most important expressions of the Stoic philosophy of his time but also an enduringly inspiring guide to living a good and just life. Written in moments snatched from military campaigns and the rigors of politics, these ethical and spiritual reflections reveal a mind of exceptional clarity and originality and a spirit attuned to both the particulars of human destiny and the vast patterns that underlie it. A. S. L. Farquharson, 1871-1942, spent a lifetime on his edition of the *Meditations*, which is one of the outstanding twentieth century achievements of classical scholarship. All the notes to the Farquharson translation amplifying the twelve books of the *Meditations* are included in this volume. *Meditations* Marcus Aurelius, Marcus Aurelius Antoninus, 2020-01-14. *Meditations* Marcus Aurelius Antoninus is a collection of aphoristic thoughts and arguments by Roman Emperor and philosopher Marcus Aurelius. Due to the exceptional position of Marcus Aurelius and his developed literary skill, this document that allows the most unique case in the history of the antique literature to observe not so much personal life as personal intense work in achievement of the ancient stoic tradition eventually became one of the most read masterpieces of the world literature.
