FREDDIE MAC INTERVIEW ACTUAL 2025/2026 QUESTIONS AND 100% CORRECT ANSWERS

Tell Me About Yourself. - Answer -I'm in the process of completing my Master's in Information Systems with an IT focus. This program has provided me with a lot of experience with the Systems Development lifecycle, from creating functional requirements to coding, and finally implementation. My final project was a task management program my group and I created as we went through the entire systems development lifecycle. I have a pretty diverse background, both technical and business related, along with professional experience in the IT field from working in a group to upgrade computer systems for an organization to technical support where i was faced with many problems on a consistent basis, both of which has taught me a lot about technology and problem solving. With this background, I hope to become a invaluable member of the Freddie Mac team as a Technology Analyst.

Why do you want to work for freddie mac? - Answer -I originally chose to apply for this position because coming out of Master's program it meets all of my expectations for what I'm looking for in a company. Freddie Mac will allow me to put what i've learned at the graduate level
