This volume comprises three works originally published separately as Shop Management 1903 The Principles of Scientific  
Management 1911 and Testimony Before the Special House Committee 1912 Taylor aimed at reducing conflict between  
managers and workers by using scientific thought to develop new principles and mechanisms of management In contrast to  
ideas prevalent at the time Taylor maintained that the workers output could be increased by standardizing tasks and working  
conditions with high pay for success and loss in case of failure Scientific Management controversially suggested that almost  
every act of the worker would have to be preceded by one or more preparatory acts of management thus separating the  
planning of an act from its execution     **Bursting the Big Data Bubble** Jay Liebowitz,2014-07-25 As we get caught up in
