Loyd DSL, 2023-11-27 Leadership is never easy and tomorrow's leaders will need to be the very best possible to deal with the volatile uncertain complex and ambiguous VUCA realities they will awaken to every day The COVID 19 pandemic has been called by some a black swan event something extremely rare that only happens once and could not have been foreseen Meteorology however tells us that those once in a lifetime storms are beginning to happen once a decade as the historical patterns seem less relevant with each passing season Similarly leaders will need to be more strategic now than ever to deal with challenges ranging from diversity to AI to hybrid work environments Their ability to synthesize their belief system cultural experience and worldview will be necessary as they operate in authenticity and humility at the head of their organizations and strive to leave a legacy and long lasting impact This book offers support to leaders of all seasons and experience levels No matter where you are in your leadership journey it can help you with the next step With an emphasis on blending the science and art of leadership it provides tools and techniques to help deal with the most difficult leadership challenges Part coaching manual and part field manual it combines case studies philosophy motivation and step by step instruction in a clear and concise easy to read book that you will reference repeatedly Pulling examples off the front page of today's new normal while expounding on biblical stories to demonstrate real world truths it seeks to draw the leader into a deeper relationship with God and strengthen their call to leadership This book is broken down into three sections The Past The Present and The Future Each of which examines relevant topics on the leader's journey enabling them to use it as a resource for a specific topic or to read it through for a holistic approach in their own journey Today's Christian leader was put here on this earth for such a time as this and this book seeks to provide strategic tools to help them be the leaders that change the world and usher in the kingdom of heaven
