

Lesson 4

The K to 12 Basic Education Curriculum:
A Brief Introduction

Lesson 1 introduced us to a typical curriculum which is a reflection of what we hold dear as a people and as a nation, what we aspire for, and what drives us toward sustainability, peace, and economic stability.

Lesson 2 clarified our focus by defining the three key terms - curriculum, development, and system - that serve as centerpiece of discussions in this course.

Lesson 3 introduced us to various defining concepts attached to curriculum and curriculum development, systems, and processes.

From various concepts, the final part of module 1 will bring us to reality and will concretize such concepts. To do this, we will look into the current basic education curriculum - the K to 12 curriculum - in the country.

Welcome to Lesson 4.
