For example, Please Excuse My Dear Aunt Sally (Parenthesis Exponents Multiplication Division Addition Subtraction) is used to help remember the order in which to complete mathematical operations.

Now that you have looked more closely at political parties and their function in government, choose the political party that you would like to be affiliated with. If you haven't already registered to vote, obtain a voter registration form (or a pre-registration form, if you are not yet 18) from your local town or city hall.

- Why did you choose your particular affiliation?
- Why are parties important in government?
- What can parties do for you? For society?
