failing this book explained in detail the steps I need to take and helped me to really understand how positive thinking works One chapter titled The Power of Negative Thinking really brought it all into focus and showed me why previously I was unable to use positive thinking as I was already bogged down with so many negative thoughts This book also helps you in becoming aware of your self to recognize how you might react to situations then recognize the voice that guides you in your reaction and finally using positive affirmations to release the negative By the time you are finished reading this book you will find yourself much more informed and equipped to do battle with negativity then you ever realized was possible The reading is easy and informative with man illustrations and examples so that you can get a great grasp of the subject matter regardless of your level of comprehension I read this book to my 9 year old just to see if he would get it and he actually understood the concepts just as well as I did once I finished reading it to him and immediately started putting the concepts into practice This is the best self help positive thinking book I have ever read which is why I took the time to write this description as a reader who has been looking for something like this for a long time I think you will agree that this book will definitely change your attitude and change your mind and will set you on a road to success through Positive Thinking Give it a read and let me know what you think in the comments below I just want to say if this doesn't help you to see the potential within your own mind nothing will Good reading 1999 *Writer's Market* Mark Garvey, Holm, 1998-09 Does everything but stamp your self addressed envelopes St Paul PioneerPress IBM compatible CD ROM **Tips for Livin'** Adam Lewis, 2023-08-01 It's for everyone This book is straightforward and concise Adam gives lifelong lessons through his own experiences and growth As a mental health counselor I'd say this book would be an excellent addition to any self help library Donna G Israel Mental health counselor Ignite your life with uncontrollable excitement as you delve into the pages of Tips for Livin' A guide to living your best life This riveting self help book is more than just another tome on motivation It's a beacon of light specially crafted to guide you out of the mire of stress and into a life brimming with joy and purpose Each chapter is a treasure trove of life hacks that will propel you towards the path of fulfillment helping you escape the viscous cycle of overthinking This game changing guide is jam packed with actionable advice that will inspire you to stop seeking validation from others and start finding love within yourself Immerse yourself in a sea of inspiring stories that effortlessly intertwine with practical tips to help you live happy no matter what life throws at you This unrivaled guide will equip you with the tools to take control of your destiny and create the life you've always dreamed of Foster a positive mindset find respite from the clutches of stress and embrace a lifestyle that prioritizes joy over approval with Tips for Livin' A guide to living your best life It's more than a book it's your ticket to a fulfilling life free from the shackles of societal expectations Elevate your journey towards self improvement by adding Tips for Livin' to your cart today Experience the magic of motivation and the power of potent life advice Your journey towards a better life begins here Reviews Hey you Yeah the one looking for some solid life tips that don't feel like they're written in super complicated language Well check this out Tips for Livin' is like your friendly guide
