Developing Communities For The Future 4th Edition:

Developing Communities for the Future 5ed Susan Kenny, Phil Connors, 2016-09-01 Developing Communities for the Future provides a comprehensive introduction to the theory processes and practices of community development It offers insights into the challenges and dilemmas of this demanding field and considers the ways in which it can empower citizens Engaging case studies illustrate how community development practitioners operate in everyday situations This new edition highlights cutting edge issues and new technologies that are influencing practice It demonstrates the dynamic nature of the field and how practitioners can help communities respond to the current challenges they face *Human Rights and Social Work* Jim Ife, Karen Soldatić, Linda Briskman, 2022-07-12 Human Rights and Social Work Towards Rights Based Practice helps students and practitioners understand how human rights concepts underpin the social work profession and inform their practice This book examines the three generations of human rights and the systems of oppression that prevent citizens from participating in society as equals It explores a range of topics from ethics and ethical social work practice to deductive and inductive approaches to human rights and global and local human rights discourses The language processes structures and theories of social work that are fundamental to the profession are also discussed This edition features case studies exploring current events movements and human rights crises including the Black Lives Matter movement the Northern Territory Emergency Response and homelessness among LGBTIQ young people This edition is accompanied by online resources for both students and instructors Human Rights and Social Work is an indispensable guide for social work students and practitioners **Practical and Political Approaches to Recontextualizing Social Work** Boulet, Jacques, Hawkins, Linette, 2021-02-19 Currently there is an enduring and changing meaning of social work in a world where new crises are being confronted and new opportunities are arriving in the evolving context of social work and the related disciplines There is a question on how to manage the transformation of social work both productively and creatively during this global shift Practitioners and educators can experience a tragic disorientation when confronted by the diversity and depth of these crises endured and can face doubts about their role in social work throughout all these changes and difficult situations Alternatives to this disorientation a comfort with uncertainty and a capability to take risks need to urgently be developed on a professional and personal level for success in the evolving field Through historical lens and a review of policies and value based approaches the recontextualization of social work can be explored Practical and Political Approaches to Recontextualizing Social Work explores practical and political ways in which social work practice has been reconstructed Chapters identify this recontextualization of social work and how it is changing adapting and transforming the profession along with providing the potential implications for the profession This book grants insight on the reconstruction of social work on the personal and interpersonal level case work and also on those intending to impact social work on the local global environment level in all dimensions politically economically socially and ecologically In addition the book includes a shift

from the present short term and micro personal view to a future and much broader and encompassing perspective and practice vision This book is essential for social workers practitioners policymakers government officials researchers academicians and students who want to learn more about the recontextualizing of modern social work in a shifting global environment

Building Strong Communities Ifzal Ahmad,M. Rezaul Islam,2024-04-10 Exploring ethical approaches to inclusive development this book navigates challenges and strategies empowering readers to foster resilient equitable communities in the ever evolving 21st century

Evaluation in Small Development Non-Profits Leanne M. Kelly,2020-10-30 Research on evaluation shows that low use and non use of evaluation is common yet evaluation is hailed as beneficial and worthwhile The worth of evaluation is tied to its utilisation presenting a paradox if evaluation is both revered and underutilised This book investigates this paradox in the under researched context of small development non profit organisations which have specific resource constraints and bottom up community development values that complicate their ability to do and use evaluation in line with top down directives The book examines the utility meaningfulness and purpose of evaluation from small non profit perspectives and explores whether evaluation has value for these organisations For development practice it presents evaluative alternatives that reconceptualise evaluation as part of the active process of development rather than as an interval based add on For evaluation theory it highlights a historical preoccupation with improving evaluation without assessing its inherent worth and considers alternative ways to enhance the value of evaluation for small non profits

Decolonised and Developmental Social Work Raj Yadav,2019-04-01 This is the first book to cover existing debates on decolonising and developmental social work whilst equipping readers with the understanding of how to translate the idea of decolonisation of social work into practice Using new empirical data and an extensive detail of social cultural and political dimensions of Nepal the author proposes a new model of decolonised and developmental social work that can be applicable to a wide range of countries and cultures By using interviews with Nepali social workers this text goes beyond mere theoretical approaches and uniquely positions itself in a way that embraces rigorous bottom up grounded theory method It will also further ongoing debates on globalisation localisation universalisation contextualisation outsider insider perspectives neoliberal rights and justice oriented social work and above all colonisation decolonisation of social work knowledge and practice It also promotes solidarity of and the struggle for progress for those in the margins of Western social work and development narrative through an emerging theory praxis of decolonised and developmental social work

Decolonised and Developmental Social Work is essential reading for students academics and researchers of social work and development studies as well as those striving for a decolonial worldview

Toward a Moral Horizon Patricia Rodney,Janet L. Storch,Rosalie Catherine Starzomski,2004 A Canadian nursing ethics book written specifically for study at an advanced level Back cover

Social Policy and Discourse Analysis Greg Marston,2004 Despite the fact that policy is increasingly led by the mass media social policy research has so far focused on variables and quantitative measurement rather than cultural

meanings and moral welfare debates Taking a critical examination of social policy on public housing by way of illustration this book demonstrates how critical discourse theory can be used in applied research It shows how the theory and method of critical discourse analysis can be worked together in an intricate and accessible way **Families, Schools and**
