Global Business Riad A. Ajami, G. Jason Goddard, 2017-10-12 Globalization has been under extreme pressure in the wake of the financial crisis. Multinational firms are weighing the costs and benefits of international scale and scope and are increasingly under pressure to hire local to source local and to pay taxes domestically. At the same time, global competitive pressures have intensified. This book reviews international business practices from the multinational firm perspective and provides pathways forward concerning competitiveness and sustainability in global markets. What sets this book apart from others is that the benefits and pitfalls of globalization are addressed. Chapter coverage focuses on the functional areas of the business and how they are impacted by international expansion. Practical case studies supplement chapter coverage and highlight both positive and negative developments in the global business arena. Readers should expect to be challenged on what will be the limits of the multinational firm in the future and how multinational firms can continue to prosper while at the same time adhere to sustainable business initiatives. Equally useful to both undergraduate and graduate students of international business as well as professional development programs. *Global Business: Competitiveness and Sustainability* provides a necessary tonic for dealing with today's troubled seas of globalization. *International Books in Print*, 1990

Subject Guide to Books in Print, 2001 **Forthcoming Books** Rose Army, 2003 **Contemporary Accounting: A Strategic Approach for Users 10e** Phil Hancock, Peter Robinson, Mike Bazley, 2019-09-30 Now in its tenth edition. *Contemporary Accounting: A Strategic Approach for Users* is designed for one semester introductory accounting courses at undergraduate or MBA level for both accounting and non-accounting majors. The text has been updated throughout to strengthen the content for first year students and to integrate financial and management accounting. Associate Dean Phil Hancock UWA and Assistant Professor Peter Robinson UWA have worked together to add three new online-only MindTap financial accounting chapters that bridge the gap between assumed and actual knowledge and have redesigned the pedagogical features to make the text friendlier to first year learners. It has also been appropriately updated for currency including an extract from the Annual Report of Woolworths Limited for the year ending 30 June 2018 as an appendix.
