Laika Kate Kort,2017-10-10 Laika is a finalist in the Best Book Awards for Literary Fiction and the Next Generation Indie Book Awards for Young New Adult and Second Novel You feel watched It's nothing new but the feeling is amplified when the streets are busy That hum in your head is now a buzz Laika desperately wishes for a new life At fourteen she's hardened and independent living on the streets of Southern California She's finally free of her volatile home but yearns for true stability As Graham a waiter at a local Russian restaurant watches Laika steal and struggle to survive he sees there is something else going on Something dangerous An insidious disease that gnaws at her mind and drags her deeper into a world of chaos and delusion Laika brings to light the often shrouded world of paranoid schizophrenia It also examines the socially stigmatized issues of homelessness addiction and PTSD in the hopes of fostering greater awareness and compassion For Laika Kai Cheng Thom,2021-10-10 By two of the co-authors of the acclaimed children's book *From the Stars in the Sky to the Fish in the Sea* the moving beautifully told story of Laika the dog who learned the names of the stars Laika is an orphaned stray dog who lives in the streets of Moscow in the then Soviet Union Although she is loved by her pack Laika longs one day to learn the names of the stars since she knows that all dogs become stars when they die including her parents One day a Russian scientist named Vlad offers Laika the chance to travel to the stars by helping him with an important experiment an event that will change the entire world Part fable part dog story part history lesson young and older readers alike will find themselves captivated by Laika's brave and loving heart and by her story which holds important lessons about world peace science and the deep bonds between humans and every other creature with whom we share the planet Ages 3 to 8 This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines WCAG AA It is screen reader friendly and is accessible to persons with disabilities A book with many images which is defined with accessible structural markup This book contains various accessibility features such as alternative text for images table of contents page list landmark reading order and semantic structure **Laika's Window** Kurt Caswell,2018-09-18 Laika began her life as a stray dog on the streets of Moscow and died in 1957 aboard the Soviet satellite Sputnik II Initially the USSR reported that Laika

the first animal to orbit the earth had survived in space for seven days providing valuable data that would make future manned space flight possible People believed that Laika died a painless death as her oxygen ran out Only in recent decades has the real story become public Laika died after only a few hours in orbit when her capsule overheated Laika s Window positions Laika as a long overdue hero for leading the way to human space exploration Kurt Caswell examines Laika s life and death and the speculation surrounding both Profiling the scientists behind Sputnik II he studies the political climate driven by the Cold War and the Space Race that expedited the satellite s development Through this intimate portrait of Laika we begin to understand what the dog experienced in the days and hours before the launch what she likely experienced during her last moments and what her flight means to history and to humanity While a few of the other space dog flights rival Laika s in endurance and technological advancements Caswell argues that Laika s flight serves as a tipping point in space exploration beyond which the dream of exploring nearby and distant planets opened into a kind of fever from which humanity has never recovered Examining the depth of human empathy what we are willing to risk and sacrifice in the name of scientific achievement and our exploration of the cosmos and how politics and marketing can influence it Laika s Window is also about our search to overcome loneliness and the role animals play in our drive to look far beyond the earth for answers
