Kontra, 2016-09-23 Deaf and hard of hearing students form a specific group of foreign language learners. They need to use foreign languages just like their hearing peers if they want to enjoy the same benefits of globalization and technical advancements of today, yet they cannot take part in the same foreign language education. As sign language users, lip readers or persons relying on hearing aids or cochlear implants in their everyday communication, they need special support in learning a foreign language. This book has been written by teachers and researchers involved in teaching English as a foreign language (EFL) to deaf and hard of hearing students in various different European countries.

including the Czech Republic France Hungary Norway Poland and Serbia The chapters mirror both the authors personal journeys through this field and give insight into various aspects of empirical research into the foreign language acquisition of hearing impaired learners They discuss mainly the issue of specific methodology for teaching EFL vocabulary grammar reading writing and speaking to deaf and hard of hearing persons and the challenge of effective communication during the classes via sign language cued speech or the oral approach Special chapters are also devoted to EFL teachers experience in special schools for the deaf Educators interested in practical advice responses to challenges and worked out solutions to problems will particularly welcome this book as a useful source of ideas It will also help novice teachers embarking on their careers in English language education for deaf and hard of hearing children and adults

Adopting the Track of Phrase: An Psychological Symphony within **New English File Intermediate Workbook With Key**

In some sort of consumed by monitors and the ceaseless chatter of instant conversation, the melodic beauty and emotional symphony created by the prepared term frequently disappear into the backdrop, eclipsed by the persistent sound and distractions that permeate our lives. However, nestled within the pages of **New English File Intermediate Workbook With Key** an enchanting fictional treasure full of organic emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, this interesting masterpiece conducts readers on a psychological trip, well unraveling the hidden tunes and profound impact resonating within each cautiously constructed phrase. Within the depths of this touching examination, we shall investigate the book is central harmonies, analyze their enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
