1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$ _____ (this amount is called "principal"), plus interest, to the order of the Lender. The Lender is _____. I will make all payments under this Note in the form of cash, check, certified funds or money order at the option and direction of Lender. I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid principal until the full amount of principal has been paid. I will pay interest at a yearly rate of ____%. The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making a payment every month. I will make my monthly payment on the _____ day of each month beginning on _____. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before principal. If, on _____, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "maturity date." I will make my monthly payments at _____.

_____ or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments

[initial desired provision]

I have the right to make payments of principal at any time before they are due. A payment of principal only is known as a "prepayment." When I make a prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a prepayment if I have not made all the monthly payments due under the Note. I may make a full prepayment or partial prepayments without paying a prepayment charge. The Note Holder will use my prepayments to reduce the amount of principal that I owe under this Note. However, the Note Holder may apply my prepayment to the accrued and unpaid interest on the prepayment amount, before applying my prepayment to reduce the principal amount of the Note. If I make a partial prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Note
