Emerson, 2015-04-06 From roommate disputes to family arguments trouble is inevitable in interpersonal relationships In *Everyday Troubles* Robert M Emerson explores the beginnings and development of the conflicts that occur in our relationships with the people we regularly encounter family members intimate partners coworkers and others and the common responses to such troubles To examine these issues Emerson draws on interviews with college roommates diaries documenting a wide range of irritation with others conversations with people caring for family members suffering from Alzheimer s studies of family interactions neighborly disputes and other personal accounts He considers how people respond to everyday troubles in non confrontational fashion

by making low visibility often secretive changes in the relationship more openly by directly complaining to the other person or by involving a third party such as friends or family He then examines how some relational troubles escalate toward extreme and even violent responses in some cases leading to the involvement of outside authorities like the police or mental health specialists By calling attention to the range of possible reactions to conflicts in interpersonal relationships Emerson also reminds us that extreme even criminal actions often result when people fail to find ways to deal with trouble in moderate non confrontational ways Innovative and insightful *Everyday Troubles* is an illuminating look at how we deal with discord in our relationships

*A Tale Of Two Perspectives* Dr. Kenneth R. Norris, 2010-09-09 Siblings will rival Relatives will drop in and stay too long Children will demand to know Why Interpersonal conflict is seldom as intense as two gunslingers glaring at each other from ten paces at High Noon It is seldom as colorful as a red faced husband and wife standing in their kitchen shouting insults It is more often a tale of two perspectives demanding to be heard Conflict is one of those peculiar concepts few people can define without a dictionary but most people know it when they see it We also want it resolved promptly and to our personal satisfaction How should Christians resolve interpersonal conflict Should we simply give in to someone with whom we disagree just to avoid conflict What are the rules when Christians become petty insensitive or argumentative If we love our neighbor as we love ourselves how do we confront conflict without compromising our values The solution is to understand and learn to confront the behavior not the people we love *A Tale of Two Perspectives* explores the dynamics of interpersonal conflict from a Christian point of view It blends business conflict resolution strategies with biblical narratives to demonstrate a compelling and innovative point of view Dr Norris uses his background as a pastor chaplain business executive husband and father to embroider his work with contemporary examples that may sound uncomfortably familiar He examines how our communication style personality attitudes emotions frame of reference and spiritual values influence our capacity to resolve conflict effectively
