Romantasy Saga Manual Book:

The Series Blueprint Heather Cardona, 2026-01-06 Plotting a series isn't just plotting one book repeatedly. It's a different creature entirely. If a standalone novel is a sprint, a series is a marathon, one with shifting terrain, expanding casts, escalating stakes, and the constant fear that you've written yourself into a corner by Book Three. *The Series Blueprint* is your long-range guide to building a series that actually works from the first book to the final payoff. This isn't a book of rigid formulas or paint-by-numbers outlines. It's a strategic framework for thinking like a series writer: planning with intention, pacing with purpose, and designing stories that grow instead of collapse under their own weight. Inside, you'll learn how to design a series with a clear destination before plot drift takes over; choose the right series structure for your genre, audience, and goals; build book-level arcs that serve a bigger long-form story; decide between saga, episodic, or hybrid models with confidence; track character growth, worldbuilding, and continuity without overwhelm; balance creativity with strategy without killing your spark; finish a series feeling proud instead of burned out. Whether you're planning your first series, halfway through a tangled one, or staring at a world that no longer makes sense, *The Series Blueprint* meets you where you are. Because a series isn't just multiple books, it's one long story told in deliberate stages. Plot it like one, and your future self will thank you. Probably with coffee.

Defenders of Medieval Wales: The Lion of Wales Series (1-3)/The Last Pendragon Saga (1-3)/Daughter of Time Sarah Woodbury, 2021-02-22 Enter the legendary world of medieval Wales in these three full-length romantasy series starters. *The Lion of Wales Series*: Love, Magic, Faith. By the autumn of 537 AD, all who are loyal to King Arthur have retreated to a small parcel of land in north Wales. They are surrounded on all sides, heavily outnumbered, and facing near-certain defeat. But Myrddin and Nell, two of the king's companions, have a secret that neither has ever been able to face: each has seen that on a cold and snowy day in December, Saxon soldiers sent by Modred will ambush and kill King Arthur. And together, they must decide what they are willing to do, and to sacrifice, to avert that fate. *The Last Pendragon Saga*: Enter a world of myth and magic in dark-age Wales. Rhiann knows that demons walk the night. She has been taught to fear them. But from the moment Cade is dragged before her father's throne, beaten, and having lost all of his men to her father's treachery, he stirs something inside her that she has never felt before. When Cade is revealed to be not only Arthur's heir but touched by the sidhe, Rhiann must choose between the life she left behind and the one before her, and how much she is willing to risk to follow her heart. *Daughter of Time*: Time travel to Medieval Wales. A medieval man with an uncertain destiny, Llywelyn the Prince of Wales, faces treachery and deceit at the hands of friends and foes alike. When Meg slips through time into medieval Wales, the pair must navigate the shifting allegiances that threaten the very existence of Wales and create their own history that defies the laws of time. Open the door to an alternate world of princes and castles in the prequel to the *After Cilmeri* series.
