[Devils & Demons](#) Amanda Forbes,2018-07-12 What compelled me to write about devils and demons is the fact that a door was opened to another world where my living existence was placed The book is original it is mind blowing and chilling I share true accounts of ghosts at play and I sit in the center of the room sometimes in sci fi definition I talk about ghosts from centuries located in modern buildings that perhaps were memorial burial grounds before I talk deeply about the spirit of King Richard III and the ghosts of the scariest hospital in Britain the Towers Hospital In this book I discuss how to combat evil forces and give answers that nobody has done so far or answer questions that people have been too afraid to ask It is a scary and exciting book but most of all its informative So please read and enjoy

[Devils, Demons, and Ghosts, in the Hebrew Tradition: Romancing the Sitra Achra](#) Baal Kadmon,2019-02-12 When we conjure up the idea of the devil and the demonic hordes in our mind we are often thinking in the context of how Christianity has portrayed them The devil and his supposed horns the Exorcist s battle with the demon possessed the inverted cross the Osculum infame The Infamous kiss or the Black Mass in which a young woman is sacrificed to Satan All these are mostly influenced by Christian ideas in some way or another The Prominence of Christianity in the study of demonology cannot be denied There is however a lesser known branch of demonology One that has not been Christianized yet Christians too have been informed by it It is far older than Christianity one that traces it roots back to the dawn of humanity A demonology that is little known yet invaluable for those of us in the Occult It is the demonological ideas found within the Hebrew tradition The Hebrew demonic tradition It is not as popular ONLY because no one has been able to bring all the pieces together nor have they the ability to translate the source material from Aramaic and Hebrew to English Most reiterate what has already been written but with no foundational

knowledge In this book I look to remedy that This is not a boast I am simply stating the facts The Hebrew tradition has a rich and powerful Demonological tradition that is often not spoken of even amongst kabbalists in fear that the demons and their minions will taint them or bring them bad luck It is for this reason certain Jewish groups inundate their homes with magical talismans warding off the evil eye the demoness Lilith and even the great demon Ashmodei Asmodeus In this book I will take you through an academic and magickal journey through the Sitra Achra the other side of the light as it is understood in the Hebrew tradition You will not only learn but you will experience Please note this is not a book on the history of Hebrew or Jewish magick although it will contain magick rites in it This book is an elucidation on how the Hebrew tradition views demons and ghosts In this book you will learn How the demonic idea developed starting with the Old Testament and prior to We will examine several demons and ghostly figures and their natures as told and experienced by the Great Rabbinic sages of the Talmud and the Kabbalah You will learn the varying classes of demons and malignant spirits We all know Lilith but there are a few other female demonesses that we will encounter on this journey Some you may have never heard of before I will explain how the concept of the Sitra Achra unfolded at the moment of creation You will learn how the Klippot came to be and their true nature They are the husks of the Sitra Achra the shards of the Sefirot I will guide you through the various Hebrew and Aramaic texts that have been a stumbling block to most when approaching this topic Finally I will present five meditations and rituals you can use to romance the forces of the Sitra Achra Let us begin
