MASON, 2024 The Lawyer's English Language Coursebook Catherine Mason, 2021 LAWYERS ENGLISH LANGUAGE COURSEBOOK - FOUNDATIONA2/B1 CATHERINE. MASON, 2024 *Economic Methods for Lawyers* Emanuel V. Towfigh, Niels Petersen, 2015-11-27 Responding to the growing importance of economic reasoning in legal scholarship this innovative work provides an essential introduction to the economic tools which can usefully be employed in legal reasoning It is geared specifically towards those without a great deal of exposure to economic thinking and provides law students legal scholars and practitioners with a practical toolbox to shape their writing understanding and case preparation The book s clear focus on economic methods poses a refreshing change to conventional textbooks in this area which tend to focus on content related theories Recognising that it is often difficult to derive adequate conclusions for legal arguments without first understanding the methodological limitations of economic studies this book provides a comprehensive coverage of the most important economic concepts in order to bridge this gap These include game theory public choice and social choice theory behavioural economics empirical research design basic statistics Owing to its concise and accessible style *Economic Methods for Lawyers* will provide an invaluable companion for legal scholars or practitioners who wish to utilise economic methods for developing legal argument **Conflict and Peace in the Modern International System** Evan Luard, 1988-01-01 This book is an important contribution to the understanding of conflict and peace in the modern world and to the continuous debate about the best methods to avoid and limit wars This revised edition has the added advantage of having updated information about international and civil conflicts up to the early 1980s This last point is important as there is not any other book that I know of which offers a comprehensive approach to the topic as well as updated information on the international conflicts that happened during the last few years It guides the reader through a complex topic helping one to understand the reasons for conflict and to realistically assess the possibilities for peace in different contexts It also provides well argued policy recommendations about the means to be used to reduce the likelihood of armed conflict its intensity and duration *Popularization and Knowledge Mediation in the Law. Popularisierung und Wissensvermittlung im Recht* Jan Engberg, Karin Luttermann, Silvia Cacchiani, 2018 This volume widens the scope of Legal Linguistics from the traditional focus on performative texts like statutes to the popularization of legal knowledge for different purposes The chapters written in English German or French discuss the theoretical basis and methods and investigate popularization efforts by national institutions law firms and community websites The objects of study cover a variety of modes and media from different national contexts reaching from print folders over online written texts to YouTube videos and movies **A Textbook on Law and Business** William Homer Spencer, 1929 Lawyering Europe Antoine Vauchez, Bruno de Witte, 2013-03-13 This volume seeks to promote a deeper understanding of European law

as a social and political phenomenon by shedding light on the lawyers and communities of lawyers involved in the European integration process
