Manderley:

Manderley Rebecca Wolff, 2001-11-07 Selected by Robert Pinsky as one of five volumes published in 2001 in the National Poetry Series In the Manderley of Rebecca Daphne du Maurier s forbidding haven of mocking ghosts and secrets that refuse to remain buried nothing is as it seems So in this stunning debut collection by Rebecca Wolff cities partners mothers sisters friends and perfect strangers all disguise their true faces while they who seek connection are transported from one great gaping hole in the fabric of our knowledge to another No passage is too dark no garden too tangled for the troubled dreamer of Manderley Wolff turns a quicksilver gaze on a fluid world where both the real and the imaginary are transfigured Tempering steely candor with a sophisticated delight in wordplay these poems turn on a dime from the sensual to the eerie the resigned to the hopeful the comforting to the shocking Each poem weaves together layers of dream remembrance and fantasy distilling from romantic excess a gritty spare language of truth telling and surprise **Dreaming of Manderley**
