2. Forbade Protestant cities from having walls; weakened power of nobles by ordering them to take down their fortified castles and by increasing power of government agents
3. Turned them to skepticism, the idea that nothing can be known for certain, and led them to question church doctrine, which claimed to be the only truth
4. Followed a strict policy of mercantilism by taking steps to make France self-sufficient, expanding and protecting French industries, and encouraging migration to France's colony of Canada, where the fur trade would add to French commercial strength
