Middle Leadership for 21st Century Schools Bill

Lowe,2019-11-15 p In Middle Leadership for 21st Century Schools From compliance to commitment Bill Lowe sets out for middle leaders the essential elements of a contemporary leadership approach that will help them successfully navigate a rapidly changing educational landscape The position of middle leader is one of the most challenging in any workplace But knowing how to lead a team effectively will ensure that you as a middle leader have the greatest possible impact both on your team and on school improvement In Middle Leadership for 21st Century Schools Bill expertly combines the latest educational leadership research with anecdotal reports about a wide range of real life school experiences giving you the insights to help you establish yourself and strengthen your influence in the role He shares impactful advice on boosting productivity both your own and your team s and offers guidance on how to succeed through people focused leadership rather than by using data as a weapon Covering a range of issues from dealing with conflict and difficult conversations to building and maintaining your professional image this book reveals the how of leadership when applied to the day to day demands of the school setting Well established leadership and management ideas are identified alongside a wealth of powerful strategies that work in the modern education world but this book also goes beyond that Importantly it uses your own experiences of being a leader and being led to illustrate key points so that the theories can be seen in practice Furthermore the act of reflecting on practice and experience is built into this book providing honest reflection and current experience reflection activities that invite you to consider things that you have seen been subjected to and experienced first hand during your time in education You will also have opportunities to think about how you might have done things differently and how you will approach things in the future Suitable for both established and aspiring middle leaders in primary and secondary schools

Servantship Graham Joseph Hill,2013-10-10 Servantship is essentially about following our Lord Jesus Christ the servant Lord and his mission it is a life of discipleship to him patterned after his self emptying humility sacrifice love values and mission Servantship is humbly valuing others more than yourself and looking out for the interests and wellbeing of others

Servantship is the cultivation of the same attitude of mind Christ Jesus had making yourself nothing being a servant humbling yourself and submitting yourself to the will and purposes of the triune God Since servantship is the imitation of Christ it involves an unreserved participation in the *missio Dei* the Trinitarian mission of God In this pioneering work sixteen servants describe the four movements of radical servantship Servantship is the movement 1 from leadership to radical servantship 2 from shallowness to dynamic theological reflection 3 from theories to courageous practices and 4 from forgetfulness to transforming memory Servantship recognizes in word thought and deed that whoever wants to become great among you must be your servant and whoever wants to be first must be your slave just as the Son of Man did not come to be served but to serve and to give his life as a ransom for many
