## **Remote Office Not Required:**

Remote Jason Fried, David Heinemeier Hansson, 2013-10-29 The classic guide to working from home and why we should embrace a virtual office from the bestselling authors of *Rework* A paradigm smashing compulsively readable case for a radically remote workplace Susan Cain New York Times bestselling author of *Quiet* Does working from home or anywhere else but the office make sense In *Remote* Jason Fried and David Heinemeier Hansson the founders of Basecamp bring new insight to the hotly debated argument While providing a complete overview of remote work s challenges Jason and David persuasively argue that often the advantages of working off site far outweigh the drawbacks In the past decade the under one roof model of conducting work has been steadily declining owing to technology that is rapidly creating virtual workspaces Today the new paradigm is move work to the workers rather than workers to the workplace Companies see advantages in the way remote work increases their talent pool reduces turnover lessens their real estate footprint and improves their ability to conduct business across multiple time zones But what about the workers Jason and David point out that remote work means working at the best job not just one that is nearby and achieving a harmonious work life balance while increasing productivity And those are just some of the perks to be gained from leaving the office behind *Remote* reveals a multitude of other benefits along with in the trenches tips for easing your way out of the office door where you control how your workday will unfold Whether you re a manager fretting over how to manage workers who want out or a worker who wants to achieve a lifestyle upgrade while still being a top performer professionally this book is your indispensable guide

*SUMMARY - Remote: Office Not Required By Jason Fried And David Heinemeier Hansson* Shortcut Edition, 2021-06-11 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes By reading this summary you will discover all the good reasons to switch to telework and how to adopt it whether you are an employee or an employer In particular you will learn that employees are more productive when working remotely than in an office technology today makes it possible to collaborate with people all over the world teleworking offers freedom and therefore a better balance for workers to embrace teleworking traditional management must be overhauled Teleworking is the business trend of the last decade Working at a distance will soon become the norm as today s technologies allow us to do so and office work is reaching its limits Even if many companies still refuse to do so this summary will convince you to adopt a new way of working and therefore a different way of life Dare to take the plunge You will be freer and happier Buy now the summary of this book for the modest price of a cup of coffee *Summary: Remote* BusinessNews Publishing, 2014-10-28 The must read summary of Jason Fried and David Hansson s book *Remote Office Not Required* This complete summary of the ideas from Jason Fried and David Hansson s book *Remote* shows that now is the right time for allowing more workers to do their work remotely rather than keeping watch over them in a centralised office Therefore if you get your mindset right and put in place some robust operating rules for how remote work will happen you position your organisation to take full

advantage of the benefits of the growing remote work phenomena Added value of this summary Save time Understand key concepts Expand your knowledge To learn more read Remote and find out how you can expand your business all around the globe

*Remote Workplace Culture* Sean O'Meara, Cary Cooper, 2022-03-03 The way we work has changed and a strong supportive company culture is key for success When employees work remotely even occasionally HR professionals and business leaders need to think differently Practitioners now need to motivate their workforce support talent development ensure an inclusive environment and protect their employees mental health all without being in the same physical space A strong and effective company culture that is built specifically with this purpose in mind is crucial Remote Workplace Culture is a practical guide that shows how to achieve this and explains why simply replicating what used to happen in the office in a virtual environment doesn't work This book shows how a strong culture for remote hybrid and flexible working helps attract the best talent whether this is nationally or globally and explains how to prioritize inclusion There is also specific guidance on wellbeing initiatives how to replace social learning in a hybrid or remote working culture and how to avoid common pitfalls such as an overreliance on technology the blurring of work life boundaries and a misunderstanding of remote working etiquette Supported by case studies from BBC Salesforce leading financial services brands and law firms Remote Workplace Culture is essential reading for all HR professionals and business leaders needing to develop strong company culture in the new world of work
