Enterprise Risk and Opportunity Management Allan S. Benjamin,2017-01-03 Risk management strategy for the pioneering technological sector *Enterprise Risk and Opportunity Management* provides much needed guidance tailored specifically to the technological sector While most enterprise risk management guides are written for traditional businesses and finance firms this book translates effective enterprise risk and opportunity management EROM principles into strategies and practices that work for government nonprofit and for profit organizations in the technological space Originally designed for noncommercial pioneering enterprises like NASA an entire chapter is now devoted toward applying the methods to profit making technological enterprises A 40 year veteran of the tech sector Dr Allan Benjamin outlines risk management strategies for organizations in which the advancement and integration of science and technology within complex systems is necessary for accomplishment of the mission Commercial EROM strategies do not translate directly when the development and implementation of risky technologies is the organization s primary objective and clumsy or near sighted implementation can easily cripple progress This book provides authoritative guidance tailored to the sector s specialized needs Maximize opportunity while effectively managing risk Understand the core principles of the technological EROM approach and its interfaces with the management of the organization Comprehend the intricacies of aggregating risks and opportunities from lower to higher levels of the organization Gain expert insights specific to the technology sector Mitigate and control the risk that comes with pursuing discovery In practice EROM in this sector involves working with mostly qualitative data and is characterized by high uncertainty Managing risk without handicapping the organization

requires a specific set of adjustments to traditional EROM and a more nuanced approach to the idea of acceptable risk Balance is key in technological EROM and Enterprise Risk and Opportunity Management provides foundational guidance real world strategy and enlightening examples for getting it right
