Placements Playbook Siddesh Choudhary, Chirag Singhal, Praveen Saran, Rajat Kadam, Vedarth Choksi, Getting a top campus placement is considered a hallowed accomplishment in college life. The optimal preparation for placements heavily involves peer-to-peer learning and access to relevant resources. Many students struggle through the placement season because they do not get the right advice and resources. We, 5 IIT Bombay graduates, have tried to bridge this gap by creating a solution that covers a wide range of topics, including Resume making, HR Preparation, Case Preparation, and Aptitude Test Preparation. We have created actionable frameworks using the insights that are passed on from seniors to juniors and have never been documented before. This book is our humble attempt to provide candidates with all the things they require for placement preparation.
