Artist's Journal. Sveta Alenina, 2018-10-30 I never thought this would be a book So most of the stuff in here is just my doodles as each done in reverie I received powerful support via 3 years sharing some freely from artists and those who know art My wish was to draw paint intentionally without learning how That triggers our unconscious as if the world inside you awakes and asks to come out That will flood you with images that will talk back to you heal your wounds I tried to select all I done into 3 books Artist s Journal is this one Another one is called I am and so it s weird and the last one Who knows what My next project is covered so it is a surprise to the reader Hope you enjoy and most importantly find it helpful to your creativity There is some kind of artist in every one Carl Jung
